Cambridge O Level Principles of Accounts has been designed specifically to meet the requirements of the Cambridge syllabus. Cambridge O Level Principles of Accounts has been written specifically for the Cambridge O Level Accounting syllabus. Accounting principles and practices have been explained in simple language to enhance the accessibility of the contents to students whose first language is not English. The book reflects the changes in the O Level Principles of Accounts syllabus and applies international accounting terminology.

Written to cover the IGCSE syllabus, Business Studies: IGCSE is divided into five sections, which are in turn divided into units that provide

convenient and flexible areas of learning. Each unit has a brief introduction followed by a business-in-context section and questions designed to help students understand the implications of the topic. Each unit contains definitions of key terms and ends with a summary of the topic covered.

In a style reminiscent of Robyn Carr, an intensely emotional story about taking chances and risking your heart. When her family home burns down, it's the final heartbreak for Rita Jordan who has already lost her parents. Her boss, former SAS captain and head of Tamerlane Security, Ivan Novak, steps in, offering her his home and his help. But Ivan has his own demons, and although he's interested in Rita, there's darkness in his past that could cause
