become an incandescent exploration of 'life, death, and the beauty of it all.'" —The Washington Post This Newbery Medal winner that has been called "smart and mesmerizing," (The New York Times) and "superb" (The Wall Street Journal) will appeal to readers of all types, especially those who are looking for a thought-provoking mystery with a mind-blowing twist. Shortly after a fall-out with her best friend, sixth grader Miranda starts receiving mysterious notes, and she doesn't know what to do. The notes tell her that she must write a letter—a true story, and that she can't share her mission with anyone. It would be easy to ignore the strange messages, except that whoever is leaving them has an uncanny ability to predict the future. If that is the case, then Miranda has a big problem—because the notes tell her that someone is going to die, and she might be too late to stop it. Winner of the Boston Globe–Horn Book Award for

This book is based on a deep understanding of the Chronological Order of the Sabbatical and Jubilee Years and why terrorism, severe weather, and now Pestilence dominate the nightly news-all promised events that were told to us thousands of years ago. There is more to come, like famines, earthquakes, war and slavery. Most people have no idea about any of this. Sadly many do not even want to know. The Prophecies of Abraham will show you a pattern that the Creator has used since creation. Once you see it, you can no longer deny it. You will then know exactly when these events are to come. Welcome to The Prophecies of Abraham

The Bedside Tales of Sultan is a collection of fairy tales, fantasies and moral stories that appeals to children and adults alike. The book unfolds through the story of a young Sultan who develops a sleeping disorder and finds salvation listening to fairy tales in order to ease his loneliness and boredom. Along the lines of the Arabian Nights, every night we listen to a different story which transports us to a new realm. We meet with people from the royal court - sultans, viziers, judges; people who possess magical powers - magicians, sorcerers, and ordinary people - bakers, gardeners, merchants, shoemakers, tutors. We listen to tales of walking clouds, talking fingers, migrating watermelons and fighting letters. Every story is different but they all have one thing in common; they are bedside tales, life lessons that invigorate our
