## CSEC Agricultural Science SBA Teachers' Training Manual

UNIT 1 MODULE 1: THE SCIENCE AND BUSINESS OF AGRICULTURE (cont'd)

SPECIFIC OBJECTIVES EXPLANATORY NOTES Students should be able to: 11. explain the concepts involved in agribusiness; Management performance. Scope of management decisions. Steps in decision making: (a) supply and demand; (b) diminishing returns; (c) depreciation;

This three-part course takes into account recent syllabus changes and provides a base for the CXC examination.

Agricultural Science for CSEC(R) Examinations is one of a series of texts written especially for students studying for the CSEC examinations in science subjects. The examination for Agricultural Science can be taken as a Single Award or as a Double Award, and this book covers the material for both.

ctives of the study are: (i) to review current knowledge on vulnerability, past trends in climate, and impacts of climate variability and change on agriculture sector, and (ii) to explore technical and policy alternatives in order to cope with and adapt to impacts of climate variability and change more effectively. The study identified what the potential impacts are, considered what interventions are appropriate, and if and where they should occur. The scope of the study focused on broader policy directions and investment priorities in relation to climate change adaptation. The first two chapters of this book present overall background on the agriculture sector and vulnerability context. Chapter 2 specifically presents vulnerability of agro-ecosystems and food production systems in both temporal

Written specifically for use in Caribbean schools, this course is tailored to the requirements of Integrated Science students and the latest CSEC syllabus by providing course contents in a clear, concise and accessible way. It now features newly added digital resources and increased SBA guidance, to help engage students and provide additional support as they study for their examination.

A World of Prose includes all the prescribed texts for the revised CSEC English A and English B syllabuses. It has been compiled with the approval of the Caribbean Examinations Council by Editors who have served as CSEC English panel members.

- The material in this anthology will help students to prepare effectively for the CSEC examination.
- The texts have been chosen to cover a wide range of themes and subjects and include a balance of well-known texts from the past as well as more recent works.
- The anthology includes texts from the Caribbean and the rest of the world to stimulate an interest in and enjoyment of reading and literature.
- This collection contains notes on each text and questions to provoke discussion, as well as a useful checklist to help students with literary analysis.
- The book contains practical guidance for students on how to tackle examination questions, with examples of model answers for reference.

The final book in a comprehensive four-level series for Caribbean students, which provides thorough preparation for lower secondary and CSEC English A examinations. It includes multiple choice questions and regular exam practice, additional practice pages for each Unit and sample exam papers.

These Study Guides have been developed exclusively with the Caribbean Examinations Council (CXC(R)) to be used as an additional resource by candidates who are following the Caribbean Secondary Education Certificate (CSEC(R)) programme. They provide candidates with extra support to help them maximise their performance in their examinations.
