Aldor To Scryer Guide ALDOR AND SCRYER REPUTATION GUIDE. Aldor Lore. Shattrath was once the draenei capital of Draenor. Its name means "dwelling of light." When the Burning Legion turned the orcs against the draenei, the fiercest battle was fought there. The draenei fought tooth and nail, but in the end, the city fell.

Blood Elves will be friendly immediately upon choosing Scryer. Although there is no set best faction to support, Aldor generally favors DPS Casters with their inscriptions and the spellthread recipes at Honored and Exalted. It is worthy of note that you cannot be on friendly terms with both factions at once. Due to the way it is set up, if you complete quests for either faction your standing with the other will lower substantially more, making it mathematically impossible for you to have ...

"The Aldor are an ancient order of draenei priests who revere the naaru, and to this day they assist the naaru known as the Sha'tar in their battle against Illidan and the Burning Legion. Though they have suffered much at the hands of the blood elves who later became the Scryers, they have put aside open warfare for the sake of the Sha'tar.

They are servants of the naaru in Shattrath City known as the Sha'tar. Rivals of the Scryers. Characters may join the Aldor or Scryer by completing the quest chain A'dal and City of Light. Upon completion of City of Light, the Allegiance Quest [65] Allegiance to the Aldor becomes available. Completion of this quest grants friendly with the Aldor, hostile with the Scryers, and access to the Aldor reputation quests.

Comment by DromelShadowson For draenei, you are already friendly with the Aldor. It is worth noting that this quest is still available, and does give the same amount of reputation as a reward, giving draenei a large advantage for Aldor reputation and a large disadvantage for Scryers, and vice versa for blood elves.

Illidan prepares for the final confrontation in the alien realm of Outland.

Behind the legend stands a being hungry for justice and vengeance as the adventure, intrigue, and heroism of World of Warcraft, the global phenomenon, rise to a new level. You are not prepared. Illidan Stormrage is one of the most powerful beings ever to walk the lands of Azeroth. He is also one of the least understood. Behind his legend, beneath his enigmatic mission, lies a brilliant mind whose machinations are comprehended by few—and trusted by even fewer. Illidan's righteous reign of justice and vengeance has begun. Long ago, the night elf sorcerer Illidan infiltrated the demonic Burning Legion to ward off its invasion of

Azeroth. Instead of hailing him as a hero, his own kind branded him the Betrayer, questioning his intentions after he appeared to aid the demon lords. For ten thousand years, he languished in prison—vilified, isolated, but never forgetting his purpose. Now the Legion has returned, and there is only one champion who can truly stand against it. Released from his bonds, Illidan prepares for the final confrontation in the alien realm of Outland, gathering an army of grotesque fel orcs, serpentine naga, cunning blood elves, and twisted demon hunters to his side. He alone knows what deeply hidden motives guide his hand; he alone understands the price that must be paid to defeat the enemies of creation. Yet as before, he is assailed by those who see his schemes as a cynical quest for power, including the night elf Maiev Shadowsong, his former jailor. Warden Shadowsong and her Watchers have pursued the Betrayer to Outland to exact retribution for his crimes, and she will not rest until Illidan is in her custody . . . or in his grave. Praise for Illidan “William King kicks off a great story with Illidan.”—BlizzPro “For many people, new and old players alike, this book will be an eye-opening journey.”—All Things Azeroth “I enjoyed World of Warcraft: Illidan a great deal.”—BlizzPlanet “Damn fun . . . There’s virtually never a dull moment in Illidan.”—Cinelinx

Though the young Warchief Thrall ended the demon curse that had plagued his people for generations, the orcs still wrestle with the sins of their bloody past. As the rampaging Horde, they waged a number of devastating wars against their perennial enemy -- the Alliance. Yet the rage and bloodlust that drove the orcs to destroy everything in their path nearly consumed them as well. Long ago, on the idyllic world of Draenor, the noble orc clans lived in relative peace with their enigmatic neighbors, the draenei. But the nefarious agents of the Burning Legion had other plans for both of the unsuspecting races. The demon-lord Kil'jaeden set in motion a dark chain of events that would succeed not only in eradicating the draenei, but forging the orc clans into a single, unstoppable juggernaut of hatred and destruction.

Night elf high priestess Tyrande Whisperwind receives a vision about a reluctant human king of Stormwind, who resists an alliance with the worgen to combat the warchief Garrosh Hellscream.

Medivh, a powerful wizard and warrior, is torn between the forces of light and dark as he struggles to fulfill his destiny and make a choice between good and evil, a decision that could seal the fate of his entire world.

Blizzard Entertainment and Dark Horse Books are proud to present the third installment of their bestselling World of Warcraft Chronicle series! The massively multiplayer online role-playing game 'World of Warcraft' has become one of the most popular computer games of the past decade, introducing millions around the world to community-based play. Within the boundaries set by its design, the game encourages players to appropriate and shape the game to their own wishes, resulting in highly diverse forms of play and participation. This illuminating study frames 'World of Warcraft' as a complex socio-cultural phenomenon defined by and evolving as a result of the negotiations between groups of players as well as the game's owners, throwing new light on complex consumer- producer relationships in the increasingly participatory but still tightly controlled media of online games.

The afterlives await in this sprawling compendium, lovingly crafted by the World of Warcraft game team and official Blizzard Entertainment historian Sean Copeland. What lies beyond the veil of death? Journey past this mortal coil and discover the secrets of the afterlives. Study the practices around death and dying on Azeroth, then follow a Broker through the groves of Ardenweald, over the gleaming towers of Bastion, and into the depths of the Maw for a detailed voyage unlike any other. Featuring gorgeous artwork never glimpsed by mortal eyes, a stunning fold-out map, and fresh secrets straight from the game team, *Grimoire of the Shadowlands and Beyond* is made to be treasured for eternity. In his authorial debut, Blizzard Entertainment historian Sean Copeland opens the vaults of both World of Warcraft and his years of hidden knowledge for all curious souls.
