Sir Alex Ferguson's compelling story is always honest and revealing he reflects on his managerial career that embraced unprecedented European success for Aberdeen and 26 triumphant seasons with Manchester United. Sir Alex Ferguson's best-selling autobiography has now been updated to offer reflections on events at Manchester United since his retirement as well as his teachings at the Harvard Business School, a night at the Oscars and a boat tour round the Hebrides, where he passed unrecognised. The extra material adds fresh insights and detail on his final years as United's manager. Both the psychology of management and the detail of football strategy at the top level can be complex matters but no-one has explained them in a more interesting and accessible way for the general reader than Sir Alex does here. MY AUTOBIOGRAPHY is revealing, endlessly entertaining and above all inspirational.

Sir Alex Ferguson's compelling story is always honest and revealing he reflects on his managerial career that embraced unprecedented European success for Aberdeen and 26 triumphant seasons with Manchester United. Both the psychology of management and the detail of football strategy at the top level can be complex matters but no-one has explained them in a more interesting and accessible way for the general reader than Sir Alex does here. MY AUTOBIOGRAPHY is revealing, endlessly entertaining and above all inspirational.

This book is about the beginning of Sir Alex's football career, until the year 2000. 1999 was an outstanding year for Alex Ferguson - not only did he lead Manchester United, the most glamorous club in the world, to a unique and outstanding treble triumph, but he was awarded the highest honour for his sporting achievements; a Knighthood from the Queen. Universally respected for his tough, but caring managerial style, Ferguson is an unusually intelligent man with a fascinating life story. Covering his tough Govan upbringing through to his playing days and onto his shift into management, Managing My Life is told with the fine balance of biting controversy and human sensitivity which made it such an unprecedented success in hardback. Alex Ferguson is a legend in his lifetime.

accessible way for the general reader than Sir Alex does here. Alex Ferguson: My Autobiography is revealing, endlessly entertaining, and above all, inspirational.

This is the autobiography of Alex Ferguson - he runs the Manchester United Football players with a rod of iron, but is respected for his managerial style and for the way he cares for the welfare of his players.

'One of the World's all-time great leaders' Professor Anita Elberse, Harvard Business School What does it take to lead a team to world-class success over a sustained period of time? Sir Alex Ferguson is one of the few leaders who truly knows. In his 38 years in management, Sir Alex won an astonishing 49 trophies and helped grow Manchester United into one of the biggest commercial brands in the world. In this inspirational and straight-talking book, Sir Alex reveals the secrets behind his record-breaking career. LEADING is structured around the key skills that Sir Alex values most highly. It includes subjects we immediately associate with his managerial style: Discipline, Control, Teamwork and Motivation. But it also addresses subjects that are less obvious but no less important when seeking success: Delegation, Data Analysis and Dealing with Failure. Written with the investor Sir Michael Moritz, a longstanding friend of Sir Alex, LEADING is packed with insight, wisdom, humour and honesty. The individual stories inevitably concern themselves with football, and the phenomenal success that came along the way, but the lessons can be applied by anyone. Whether you run a business, teach in a classroom, or work in a small team, LEADING will help you become a better leader.

Alex Ferguson, once king of Scottish football, gave up the easy life in Aberdeen to follow in the famous footsteps of Sir Matt Busby. Others had flickered and then faded in the shadow cast by the legendary Busby but Ferguson couldn't resist the call. 'Football is a strange obsession. Winning is a drug and when I got the invitation to manage Manchester United I simply could not resist,' he says. For nearly six years he has chased the end of the rainbow and spent millions of pounds to bring the coveted championship to Old Trafford for the first time in 25 years. Now he feels it is time to tell the inside story of the best-supported club in Britain and his struggle to fulfil the title dream of thousands of supporters. He found the famous club in disarray and he admits he came close to the sack himself. 'No manager is prepared for the job at Old Trafford. The legend is huge. It's different from any other club with its traditions and expectations. It took me three or four years to understand the particular politics and demands. Only through success can a manager get control of his destiny.' Ferguson fought his battles and won the trophies which slowly but surely see him now established as a manager who has laid the old ghosts to rest and created a new vision. Winning the FA cup in 1990 bought him valuable time, and success in the European Cup-Winners' Cup, beating Barcelona in a memorable final in Rotterdam, gave him the right platform for the most convincing championship challenge since the days of Busby. After seven years at Aberdeen, Ferguson wrote *A Light in the North*, an account of how he broke the Glasgow stranglehold on Scottish football. Now comes the sequel of how he conquered English football at the helm of their greatest club.

Ferguson's own autobiography was a great bestseller on its publication in 1999. But Fergie's book told the story through only one pair of eyes. Now, Michael Crick, acclaimed biographer of Jeffrey Archer, writes the first fully rounded, independent portrait of Sir Alex. From his roots as a Govan trade unionist to the current peaks of world football, Crick applies the same forensic skills he applied to his study of the disgraced Tory peer. Through hundreds of interviews with those who've known and worked with Sir Alex, and delving back through the archives, Michael Crick explores the money and the politics of football, the bust-ups, the fights, and those memorable moments of glory. Charismatic and charming, volcanic and ruthless, searingly ambitious

## Read Book Alex Ferguson My Autobiography The Life Story Of Manchester Uniteds Iconic Manager

and astonishingly successful. What makes Sir Alex Ferguson tick? How did this complex character become the most successful manager in British football, producing -- first at Aberdeen and now at Manchester United -- two of the most prolific trophy-grabbing machines in the modern game? THE BOSS is essential reading not just for Manchester United fans and football followers in general, but for anyone interested in the skills of successful management.

No player has been more synonymous with the glory years of Manchester United Football Club over the past two decades than right-back Gary Neville. An Old Trafford regular since he attended his first match at the age of six, captain of the brilliant 1992 FA Youth Cup-winning team that became known as 'Fergie's Fledglings', outspoken representative of MUFC, Neville is the ultimate one-club man. He has been at the heart of it all and, at the end of an amazing career, is now ready to tell it all. Authoritative, insightful, fearless and never less than 100% honest, no-one has better credentials for documenting the story of United under Sir Alex Ferguson. Neville reveals the behind-the-scenes secrets of his early days with the likes of Giggs, Scholes and his best mate David Beckham; what it was like to play with Cantona, Keane and Ronaldo; the Treble in 1999; and of course an entire career of playing for the greatest manager in the game. Then there are all his experiences with England, from being the youngest starter at Euro 96 when football came home, to the ups and downs of five major championships and seven managers - Venables, Hoddle, Wilkinson, Keegan, Eriksson, McClaren and Capello. There are opinions and analysis on Gazza, Rooney, WAGs and the true story of the FA and Rio Ferdinand. For twenty glorious years, Gary Neville has worn his heart on his sleeve. This is his story.
