Brilliantly funny, teenage angst author Louise Rennison's first book about the confessions of crazy but lovable Georgia Nicolson. Now repackaged in a gorgeous new paperback and looking even fabber than ever. Louise is an international bestselling author and her books can't fail to make you laugh out loud.

Angus: My mixed-breed cat, half domestic tabby, half Scottish wildcat. The size of a small Labrador, only mad. Thongs: Stupid underwear. What's the point of them, anyway? They just go up your bum, as far as I can tell. Full-Frontal Snogging: Kissing with all the trimmings, lip to lip, open mouth, tongues ... everything. Her dad's got the mentality of a Teletubby (only not so developed). Her cat, Angus, is trying to eat the poodle next door. And her best friend thinks she looks like an alien -- just because she accidentally shaved off her eyebrows. Ergghhhlack. Still, add a little boy-stalking, teacher-baiting, and full-frontal snogging with a Sex God, and Georgia's year just might turn out to be the most fabbitty fab fab ever!

Georgia Nicolson has started dating the Sex God (aka Robbie). So life should be perfect . . . except in Georgia's life, nothing is ever perfect. Her cat, Angus (the size of a small Labrador), is terrorizing the neighborhood. Her sister, Libby (who is slightly mad), hides her pooey knickers at the bottom of Georgia's bed. Then the Sex God breaks it off because she's too young. It's time for a plan. It's time for a Red Herring. It's time for Georgia to become a "heartless boy magnet!"

As I was going out of my bedroom door I remembered my nungas. Perhaps I should take some precautions to keep them under strict control. Maybe bits of Sellotape on the ends of them to keep them

from doing anything alarming? I'd like to trust them, but they are very unreliable. The irrepressible heroine of the Michael L. Printz Honor Book *Angus, Thongs and Full-Frontal Snogging* is back, and funnier than ever! Georgia has finally landed Robbie the Sex God, but he's never around, and Georgia's ex, Dave the Laugh, is starting to look quite dreamy. Strangely, so does just about every other guy Georgia meets, even the new French teacher. In this third installment of Georgia's hilarious confessions, Georgia's "red bottomosity" is out of control! Whatever will happen next?

Georgia thought she had put her "red-bottomosity" to rest when she finally chose Robbie the Sex God over Dave the Laugh. Anyway, Dave the Laugh is now dating her friend Ellen (which didn't stop Georgia from snogging him at a party...) But when Dave breaks up with Ellen and the Sex God is never around, Georgia doesn't know what to do! As always, in Georgia's life, nothing ever turns out as planned!

The Sex God has left the country, taking Georgia's heart with him. So she decides to display glaciosity to all boys -- a girl can only have her heart broken so many times. Until she meets Masimo, the new singer for the Stiff Dylans. The Sex God is gone, but here comes the Dreamboat, and Georgia's away laughing on a fast camel (whatever that means).

Let the overseas snogfest begin! Georgia and Jas are off to Hamburger-a-gogo land! Georgia plans to track down Masimo, the Italian-American dreamboat, but after a long week in America, she only succeeds in learning importantish things -- like how to ride a bucking bronco. Will Georgia reel in the Italian dreamboat? Or is she destined to live forever all aloney on her ownney?

Uniquely funny teenage diaries of the irresistibly hilarious Georgia – available as a ten-book set for the very first time. Gadzooks!

A novel for secondary school English classes with great writing and important themes.

For Georgia, the more things change, the more they stay the same. Just when she thought she was the official one-and-only girlfriend of Masimo, he's walked off into the night with the full hump, leaving Georgia all alone on her ownie-again. All because Dave the Laugh tried to do fisticuffs at dawn with him! Two boys fighting over Georgia? It's almost as romantic as Romeo and Juliet . . . though perhaps a touch less tragic. It's time for Georgia to get to the bottom (oo-er) of this Dave the Laugh spontaneous puckering business once and for all. It's like they always say: If you snog a mate in the forest of red bottomosity and no one is around to see it, is he still a mate? Or is he something more?
