In this novel in the #1 New York Times bestselling Dresden Files, Chicago's only professional wizard takes on a case for a vampire and becomes the prime suspect in a series of ghastly murders. Harry Dresden has had worse assignments than going undercover on the set of an adult film. Like fleeing a burning building full of enraged demon-monkeys, for instance. Or going toe-to-leaf with a walking plant monster. Still, there 's something more troubling than usual about his newest case. The film 's producer believes he 's the target of a sinister curse—but it 's the women

Harry ' s doubly frustrated because he only got involved with this bizarre mystery as a favor to Thomas—his flirtatious, self-absorbed vampire acquaintance of dubious integrity. Thomas has a personal stake in the case Harry can ' t quite figure out, until his investigation leads him straight to the vampire ' s oversexed, bite-happy family. Now, Harry ' s about to discover that Thomas ' family tree has been hiding a shocking secret: a revelation that will change Harry ' s life forever.

From the moment Jacque sets eyes on Fane, she feels an instant connection, a pull like a moth to a flame. Little does she know that the flame she is drawn too is actually a Canis Lupus, werewolf, and she just happens to be his mate, the other half of his soul. The problem is Fane is not the only wolf in Coldspring. Just as Fane and Jacque are getting to know each other, another wolf steps out to try and claim Jacque as his mate. Begin the award-winning Grey Wolves Series with the first three books: Prince of Wolves, Blood Rites, and Just one Drop. The Grey Wolves Series follows the adventures of three high school seniors, Jacque, Jen, and Sally, as the girls are introduced to the hidden world of the Romanian grey wolves. Female Canis lupus are few and far between, and sinister dominant wolves will rise to challenge for the right to mate with these new, unique females. The ensuing chaos will undermine the strength of the packs, just when a new threat to the Canis lupus world emerges, one that can only be defeated by the strength that comes from the special union of true mates.

Jennifer Adams, best friend to Jacque Pierce and Sally Morgan, spicy, out spoken, a little crazy and human...or so she thought. Drawn to each other by something they don't understand Jen finds herself frustrated by the lack of mating signs between her and said fur ball. Not only is she dealing with that not so un-frustrating problem, she now has been informed that because of that little drop of werewolf blood in her she is now required to attend a multi-pack gathering for un-mated wolves. This type of gathering hasn't taken place in over a century but with a shortage of females among the werewolf population the males are getting worried they won't ever find their true mates. Meanwhile, Decebel struggles with the emotions he is

He is mine and I am his. I will move every obstacle in my way to remind him. Decebel Anghelescu is one of the strongest Canis lupus on earth, an alpha in his own right. Now that he's found his mate, the fiesty blonde, Jennifer Adams, he could be stronger still, a powerful asset to the Romanian Greys. But he's been crippled by a devastating curse, one cast by an unknown enemy, a witch of incredible power. The spell threatens to dissolve the fragile new bond with the woman that is the other half of his soul. It will take the help of an entire

Now, she has come to terms with her fate, accepting she won't share a life with Decebel...and what a life it would have been. But help comes in the most unexpected form...the discovery of a long-lost healer. The Romanian alpha, Vasile Lupei, will have to use all his resources – including Sally Morgan, the new gypsy healer of the Romanian pack – to battle the witch, lift the curse from Decebel and reunite him with his mate, and solve a mystery that's been surrounding the Romanian pack for 300 years.

Though the Serbian pack has been brought to heel thanks to the

downfall of their Alpha, the war is far from over. Desdemona, a witch of unfathomable power, has escaped the wolves' wrath, but she will not go quietly into the night. She takes refuge in a place where even the smallest sliver of light does not dare to enter. Though she had to flee, she has not given up on the treasure she wishes to acquire. Her depravity knows no bounds; she's even willing to search for the one who can assist her in opening a Veil that has not been opened in millennia – with good reason: the danger is incalculable. Meanwhile, there are major changes rippling through the Romanian Grey wolves. Decebel has become Alpha to the Serbian pack in an effort to begin to unite the *Canis lupis* species. Their numbers are dwindling in the wake of the shortage

But the winds of change are blowing, changes that will alter the future of not only the Canis lupis, but of another ancient race as well. Amidst all of this, Sally is continuing to come to terms with her relationship with the playful, charming, flirty, unbelievably handsome bartender – who happens to be a member of the Romanian pack. If all that weren ' t enough, the Fates have decided to pay a little visit to Jen. It ' s time to collect. She cheated the Fates of a life, her life. Now they want what they are due. The problem? It ' s more than Jen is willing to pay. Yes, the war is indeed far from over. Bargains will be struck, declarations will be made, sacrifices

We've watched the Romanian Grey Wolves find their true mates, fight against evil and reunite with the other Canis lupis in the world. Now we will see just how the most powerful Alpha in their history met his match with the woman who became his mate, and helped him become the man he needed to be in order to lead. Every life leaves behind a legacy. Every story has a beginning and an end. The Alpha of the Romania Grey Wolves knows this better than most. He also knows it 's the things that transpire to create that legacy and the experiences, triumphs and failures that happen in the middle of the story that matter.

His story began a century ago and now a tragedy has led him to his rightful place as Alpha of the Eastern Romania pack. Before he led hundreds, he had to learn to lead a few. Before he sacrificed for all, he had to be willing to sacrifice for any. Before he could be the man destined to save his race he had to be willing to serve them. In order to be raised up he had to first be torn down. There was only one who could do this and live, only one who could light his way when the darkness closed in; his mate, his Luna. This is the building of their legacy, the middle of their story. Their triumphs, their failures, and their tragedy ' s that would one day make them strong enough to restore a race torn apart by greed, envy, and fear.

The fae was fighting, expending every ounce of her energy to keep her and Fane alive and the strain was taking its toll on the fae. But why? Why was the fae fighting as if her own life depended upon Jacque's survival? Jacque was starting to remember someone else—someone that depended on her. Costin would be strong for the boy for as long as he could, but he wasn't sure how long he could keep the feral would at bay. Bethany, the brave young girl that had been rescued from the clutches of the vampire coven to which she'd served as food for the past seven years, was now sharing a room with her true mate, with absolutely no understanding of what that meant. Bethany, a dormant, who had no idea who or what she was, didn ' t stand a chance.
