A timely addition to the literature on the holy book of Islam, this translation provides both the original Arabic verse as well as extensive explanations and interpretations in modern English. Additional commentary is offered on the the social and historical aspects of Islam, as well as the existence and unity of God, the concept of resurrection, and other theological complexities. Several special glossaries detailing the names of God and Qur'an vocabulary are also included.

Your youth will definitely leave you, and if you do not remain within the sphere of the licit, it will be lost, and rather than its pleasures, it will bring you calamities and suffering in this world, in the grave, and in the Hereafter. But if, with Islamic training, you spend the bounty of your youth as thanks in uprightness and obedience, it will in effect remain perpetually and will be the cause of gaining eternal youth. If you want the pleasure and enjoyment of life, give life to your life through belief, and adorn it with religious duties. And preserve it by abstaining from sins.

Nurculuk; Islamic doctrines; Risale-i Nur; collection.

A biography of the prominent Turkish theologian and thinker. Islam in Modern Turkey presents one of the most comprehensive studies in English of the seminal Turkish thinker and theologian, Bediuzzaman Said Nursi (1876–1960). A devout Muslim who strongly believed in peacefully coexisting with the West, Nursi inspired a faith movement that has played a vital role in the revival of Islam in Turkey and now numbers several million followers worldwide. While Nursi’s ideas have been afforded considerable analysis, this book is the first to situate these ideas and his related activities in their historical contexts. Based on the available sources and Nursi’s own works, here is a complete and balanced view of this important theologian’s life and thought. Sçükran Vahide is Resident Scholar at the Istanbul Culture and Science Foundation in Istanbul, Turkey. Ibrahim M. Abu-Rabi> is Professor of Islamic Studies and Christian-Muslim Relations at the Hartford Seminary. He edited and wrote the introduction for Islam at the Crossroads: On the Life and Thought of Bediuzzaman Said Nursi, also published by SUNY Press.
