BASED ON NATURAL laws which govern all of creation, this book shatters the myth that success is the result of hard work, exacting plans, or driving ambition. In The Seven Spiritual Laws of Success, Deepak Chopra offers a life-altering perspective on the attainment of success: Once we understand our true nature and learn to live in harmony with natural law, a sense of well-being, good health, fulfilling relationships, energy and enthusiasm for life, and material abundance will spring forth easily and effortlessly. Filled with timeless wisdom and practical steps you can apply right away, this is a book you will want to read and refer to again and again.

Deepak Chopra, M.D., has emerged as one of the most powerful leaders in the revolutionary field of mind/body medicine. His extraordinary bestseller Quantum Healing explored the mind's connection to seemingly miraculous cures for cancer and other serious illnesses. Now, in Unconditional Life, he undertakes an even greater challenge: to explain how consciousness can lead the way to total freedom and perfect health. Unconditional Life brings together disciplines ranging from modern physics and neuroscience to the ancient traditions of Indian wisdom to show how our perceptions create our reality for good or ill--and how the outside world can be shaped by altering the world within. In a book filled with hope and inspiration, Dr. Chopra offers compelling proof of the power of consciousness and a daring new vision of our own unlimited potential.

"The Book of Secrets is the finest and most profound of Deepak Chopra's books to date. Want the answers to the secrets of life? Let me recommend that you start right here." [Ken Wilber, author of A Brief History of Everything] We all want to know how to find a soul mate, what career would be most fulfilling, how to live a life with meaning, and how to teach our children well. We are looking for a personal breakthrough, a turning point, a revelation that brings with it new meaning. The Book of Secrets is a crystalline distillation of insights and wisdom accumulated over the lifetime of one of the great spiritual thinkers of our time!provides an exquisite new tool for achieving just that. Every life is a book of secrets, ready to be opened. The secret of perfect love is found there, along with the secrets of healing, compassion, faith, and the most elusive one of all: who we really are. We are still mysteries to ourselves, despite the proximity of these answers, and what we most long to know remains lodged deep inside. Because answers to the questions at the center of life are counterintuitive, they are often hidden from view, sequestered from our everyday gaze. In his ongoing quest to elevate our experience, bestselling author Deepak Chopra has isolated fifteen secrets that drive the narrative of this inspiring book!and of our lives. From "The World Is in You" and "What You Seek, You Already Are" to "Evil Is Not Your Enemy" and "You Are Truly Free When You Are Not a Person," The Book of Secrets is rich with insights. It is a priceless treasure that can transport us beyond change to transformation, and from there to a sacred place where we can savor the nectar of enlightenment.

Dr. Chopra has revised his groundbreaking book about the healing power of the mind for the people who are turning to alternative methods of health care as a result of the crisis in traditional care. Based on Dr. Chopra's recent work and new perspectives, this book includes the techniques of mindfulness meditation, a simple but powerful form of breath-focused meditation.

In Power, Freedom, and Grace, Deepak Chopra considers the mystery of our existence and its significance in our eternal quest for happiness. Who am I? Where did I come from? Where do I go when I die? Chopra draws upon the ancient philosophy of Vedanta and the findings of modern science to help us understand and experience our true nature, which is a field of pure consciousness. When we understand our true nature, we begin to live from the source of lasting happiness, which is not mere happiness for this or that reason, but true inner joy. By knowing who we are, we no longer interfere with the innate intelligence of the cosmos. Instead, we allow the universe to flow through us with effortless ease, and our lives are infused with power, freedom, and grace. [This book captures the essence of all of my talks over the last 20 years. It is the distillation of almost everything I have taught up to now.] Deepak Chopra
