The economic concepts presented in Managerial Economics show students how to use quantitative methods and economic analysis alongside common sense to better understand business and address managerial problems. The text's unique integrative approach demonstrates that important business decisions are interdisciplinary and must involve collaboration between multiple business functions. Including updated real company cases and examples, the 15th edition of this text demonstrates how economic concepts and tools can be applied to real organisations and management situations.

The economic concepts presented in FUNDAMENTAL OF

MANAGERIAL ECONOMICS, 9e, show students how to use common sense to understand business and solve managerial problems without calculus. This innovative text helps students develop and sharpen their economic intuition--an invaluable skill that helps students, as future managers, decide which products to produce, costs to consider, and prices to charge, as well as the best hiring policy and the most effective style of organization. With its unique integrative approach, the text presents the firm as a cohesive, unified organization and demonstrates that important business decisions are interdisciplinary. A basic valuation model is constructed and used as the underlying economic model of the firm; each topic is then related to an element of the value maximization model--a process that shows how management integrates accounting, finance, marketing, personnel, and production

Get Free By Mark Hirschey Managerial Economics Book Only 12th Edition 12108

functions. The text also provides an intuitive guide to marginal analysis and basic economic relations. Once students grasp the importance of marginal revenue and marginal costs, the process of economic optimization becomes intuitively obvious. In addition, a wide variety of examples and simple numerical problems vividly illustrate the application of managerial economics to a vast assortment of practical situations. By studying the material in FUNDAMENTALS OF MANAGERIAL ECONOMICS, 9e, those seeking to further their business careers learn how to more effectively collect, organize, and analyze information. They gain powerful tools that can help them become more successful--and satisfied--in their careers.

This text is designed to present aspects of economic theory and

Get Free By Mark Hirschey Managerial Economics Book Only 12th Edition 12108

analysis that are most relevant to students of business administration in an intuitive calculus-based or non-calculus based format, depending on the preferences of the instructor.

This text aims to equip students with a solid foundation in economic understanding to use in managerial decision making. A variety of examples and simple numerical problems illustrate the application of managerial economics to an assortment of practical situations.
