This interactive revision guide is the perfect way to achieve structured and easy to access revision notes for Grade 9-1 & A\*-G iGCSE Computer Science (new 2020 syllabus). Instead of relying on someone else to write the notes for you, doodle notes draw on years of educational research that show students who write their own notes progress faster, retain more information, and feel less stressed during revision than those that simply read a revision guide. Every topic is supported by knowledge organisers followed by structured A4 pages to help students to write out their revision notes independently, whilst giving the added benefit of ensuring all areas are covered through scaffolded pages. Throughout the notes, useful tips and hints are added to remove the fear of the blank page, without doing the work for them!

Provides guidance on tackling the different types of examination questions.
