overview of the functions, systems, and responsibilities related to human resources. The authors have two main purposes in writing this book, which they state in the preface: to equip students with the tools and practices needed to be a successful human resource professional, along with an appreciation for the change they can effect, and to present the most current challenges and opportunities that graduating students will face when they enter the work environment. The product recognizes the value of the HR professional in developing and implementing strategy, ultimately supporting the success of their employees as well as the entire organization.

Perspective, a new introduction for every chapter, focuses on the managerial perspective and summarizes why the material is relevant to managers. Managerial Skill Builder: Issues and Exercises, an end-of-chapter feature, presents a managerial situation relevant to each chapter topic and concludes with questions, issues, exercises, and group projects. Manager's Notebook, located in every chapter, illustrates procedures, tips, and strategies you can really use in management. You Manager It! Discussion Cases, found at the end of every chapter, focus on human resources issues from a manager's perspective and encourage you to think critically. Technology and its influence on human resources information is addressed in every chapter. Globalization and its effect on human resources practices is discussed throughout the book,
