Chalked Up: My Life in Elite Gymnastics 9780061351471 | eBay

A memoir from a gymnast's point of view is long overdue in the oftentimes tedious litany of cautionary tales about high-level gymnastics. Written by an athlete, not a journalist, Jennifer Sey's Chalked Up finally fills this void. She painstakingly renders her unlikely rise to gymnastics superstardom and subsequent fall into depression and obscurity.

Back in 2008, 1986 U.S. National Champion Jennifer Sey published, Chalked Up: Inside Elite Gymnastics' Merciless Coaching, Overzealous Parents, Eating Disorders, and Elusive Olympic Dreams. The memoir delved into her experiences in the sport; Sey was frank in talking about abuse—physical, emotional, psychological, sexual—that she experienced or witnessed during her years as an elite gymnast.

From Chalked Up to Athlete A, Jennifer Sey Speaks The ...

Chalked Up: Inside Elite Gymnastics' Merciless Coaching, Overzealous Parents, Eating Disorders, and Elusive Olympic Dreams Sey, Jennifer Published by William Morrow (2008)

Fanciful dreams of gold-medal glory led Jennifer Sey to the local gymnastics club in 1976. A natural aptitude and a willingness to endure punishing hard work took her to the elite ranks by the time she was eleven years old. Jennifer traveled the country and the world competing for the U.S. National team, but the higher she set her sights—the world championships, the 1988 Olympics—the more she began to ignore her physical and mental well-being. Jennifer suffered devastating injuries, developed an eating disorder, and lived far from family and friends, all for the sake of winning. When her parents and coaches lost sight of her best interests, Jennifer had no choice but to redefine her path into adulthood. She had to save herself. Chalked Up delivers an unforgettable coming-of-age story that will resonate with anyone who has ever felt not good enough and has finally come to accept who they were meant to be.

Told from the perspective of a 1988 world champion, a behind-the-scenes account of the personal toll of Olympics competitiveness reveals how her stage parents, abusive coaches, and manipulative sponsors pushed her to the limits of her physical and mental

A sports reporter investigates the training of girls as professional gymnasts and figure skaters, arguing that the pressure to succeed and to look beautiful results in mental and physical harm, from eating disorders to psychological trauma.

In this searing and riveting New York Times bestseller, Olympic gold medalist Dominique Moceanu reveals the dark underbelly of Olympic gymnastics, the true price of success...and the shocking secret about her past and her family that she only learned years later. At fourteen years old, Dominique Moceanu was the youngest member of the 1996 US Women ' s Olympic Gymnastics team, the first and only American women ' s team to take gold at the Olympics. Her pixyish appearance and ferocious competitive drive quickly earned her the status of media darling. But behind the fame, the flawless floor routines, and the million-dollar smile, her life was a series of challenges and hardships. Off Balance vividly delineates each of the dominating characters who contributed to Moceanu ' s rise to the top, from her stubborn father and long-suffering mother to her mercurial coach, Bela Karolyi. Here, Moceanu finally shares the haunting stories of competition, her years of hiding injuries and pain out of fear of retribution from her coaches, and how she hit rock bottom after a public battle with her parents. But medals, murder plots, drugs, and daring escapes aside (all of which figure into Moceanu ' s incredible journey), the most unique aspect of her life is the family secret that Moceanu discovers, opening a new and unexpected chapter in her adult life. A mysterious letter from a stranger reveals that she has a second sister—born with a physical disability and given away at birth—who has nonetheless followed in Moceanu ' s footsteps in an astonishing way. A multilayered memoir that transcends the world of sports, Off Balance will touch anyone who has ever dared to dream of a better life.

Describes the hardships and challenges Shannon Miller overcame to become an Olympic gold medalist

In The end of the perfect 10, Dvora Meyers provides an account of the controversial world of gymnastics, the recent changes to the scoring system, and what these changes mean for the future of American gymnastics.

Two-year-old Rachel Haines didn ' t know that she would be committing to twenty-one years of hard work, dedication, and perseverance as she jumped into the foam pit during her first " mommy and me " gymnastics class. She had no idea that one day she would become a two-time National Team Member, two-time National Champion, and a Division I college gymnast at the University of Minnesota. Nor could she have known that she had just signed herself up for serious injury, emotional distress, and continuous sexual assault by world-renowned trainer turned serial molester, Larry Nassar. In Abused: Surviving Sexual Assault and a Toxic Gymnastics Culture, Rachel details her experiences as a competitive gymnast and the painful realities of being one of Nassar ' s many victims. With honesty and candidness, Rachel shares how the sport she loved that gave her so much—friendships, accomplishments, a college education—is also tangled in a dangerously toxic culture that needs to be fixed. In a world that was setting her up for a lifetime of recovery, she tells how faith, family, and an army of survivors made healing possible.

Discover Aly Raisman's inspiring story of dedication, perseverance, and learning to think positive even in the toughest times on her path to gold medal success in two Olympic Games--and beyond. Aly Raisman first stepped onto a gymnastics mat as a toddler in a "mommy & me" gymnastics class. No one could have predicted then that sixteen years later, she'd be standing on an Olympic podium, having achieved her dreams. Aly's road to success was full of hard work, perseverance, and victories, but not without its hardships. Aly faced many obstacles, from naysayers who said she'd never make it in gymnastics to classmates who shamed her for her athletic body to a devastating betrayal of trust. Through it all, Aly surrounded herself with supportive family, friends, and teammates and found the inner strength to remain positive and believe in herself. Now, in her own words, Aly shows what it takes to be a champion on and off the floor, and takes readers on a behind-the-scenes journey before, during, and after her remarkable achievements in two Olympic Games--through her highest highs, lowest lows, and all the moments in between. Honest and heartfelt, frank and funny, Aly's story is enhanced with never-before-published photos, excerpts from the personal journals she's kept since childhood that chronicle memorable moments with her teammates, and hard-won advice for readers striving to rise above challenges, learn to love themselves, and make their own dreams come true.

How the Cold War era changed the trajectory of women's gymnastics Electrifying athletes like Olga Korbut and Nadia Com neci helped make women ' s artistic gymnastics one of the most popular events in the Olympic Games. But the transition of gymnastics from a women ' s sport to a girl ' s sport in the 1970s also laid the foundation for a system of emotional, physical, and sexual abuse of gymnasts around the world. Georgia Cervin offers a unique history of women's gymnastics, examining how the high-stakes diplomatic rivalry of the Cold War created a breeding ground for exploitation. Yet, a surprising spirit of international collaboration arose to decide the social values and image of femininity demonstrated by the sport. Cervin also charts the changes in style, equipment, training, and participants by the sport. Cervin also charts the changes in style, equipment, training, and participants that transformed the sport, as explosive athleticism replaced balletic grace and gymnastics dominance shifted from East to West. Sweeping and revelatory, Degrees of Difficulty tells a story of international friction, unexpected cooperation, and the legacy of abuse and betrayal created by the win-at-all-cost attitudes of the Cold War.

The record-breaking gymnast provides a firsthand look into the world of the female athlete as she shows what it takes to achieve athletic perfection, offering inspiring stories from her own experience, anecdotes, and practical advice that reveal the mindset of a top competitor. 75,000 first printing.
