politics and government. This update includes coverage of the seismic changes that have taken place across our political landscape since the second edition published and Barack Obama took office.

The call to "reinvent government" to reform the government bureaucracy of the United States resonates as loudly from elected officials as from the public. Examining the political and economic forces that have shaped the American civil service system from its beginnings in 1883 through today, the authors of this volume explain why, despite attempts at an overhaul, significant change in the bureaucracy remains a formidable challenge.

The Federal Bureaucracy

Washington, seeing it as an intrusive, incompetent, wasteful giant. The most alarming consequence of ineffective policies, in addition to unrealized social goals, is the growing threat to the government's democratic legitimacy. Understanding why government fails so often--and how it might become more effective--is an urgent responsibility of citizenship. In this book, lawyer and political scientist Peter Schuck provides a wide range of examples and an enormous body of evidence to explain why so many domestic policies go awry--and how to right the foundering ship of state. Schuck argues that Washington's failures are due not to episodic problems or partisan bickering, but rather to deep structural flaws that undermine every administration, Democratic and Republican. These recurrent weaknesses include unrealistic goals, perverse incentives, poor and

File Type PDF Chapter 10

The Federal Bureaucracy

distorted information, systemic irrationality, rigidity and lack of credibility, a mediocre bureaucracy, powerful and inescapable markets, and the inherent limits of law. To counteract each of these problems, Schuck proposes numerous achievable reforms, from avoiding moral hazard in student loan, mortgage, and other subsidy programs, to empowering consumers of public services, simplifying programs and testing them for cost-effectiveness, and increasing the use of "big data." The book also examines successful policies--including the G.I. Bill, the Voting Rights Act, the Earned Income Tax Credit, and airline deregulation--to highlight the factors that made them work. An urgent call for reform, *Why Government Fails So Often* is essential reading for anyone curious about why government is in such disrepute and how it can do better"--
