This compact assessment of five centuries of fretted instruments cover the vihuela in Spain, the history of four-course and five-course guitars, the evolution of tablature, and developments in the six-string guitar in the 19th century. the work also charts the contribution of leading composers,

performers and luthiers of the 20th century, and evaluates the influence of Segovia, Llobet, Pujol, Presti, Bream, Williams, etc., among the world's famous guitarists.
