Essentials of Contemporary Management 8th edition by Jones and George is the concise version of Contemporary Management. Jones and George are dedicated to the challenge of "Making It Real" for students. This edition continues to focus on providing the most up-to-date account of the changes taking place in the world of management and management practices while maintaining our emphasis on making our text relevant and interesting to students. The increased focus on the challenges and opportunities facing businesses large and small and integrated timely examples bring management issues to life for students.

Jones and George are dedicated to the challenge of "Making It Real" for students. As a team, they are uniquely qualified to write about the organizational challenges facing today's managers. No other author team in the management discipline matches their combined research and text-writing experience. Essentials of Management concisely surveys current management theories and research. Through a variety of real world examples from small, medium, and large companies the reader learns how those ideas are used by practicing managers. The organization of this text follows the mainstream functional approach of planning, organizing, leading, and controlling; but the content is flexible and encourages instructors to use the organization they are most comfortable with. The themes of diversity, ethics, and information technology are clearly evident through in-text examples, photographs, "unboxed" stories, and the end-of-chapter material - all areas of importance that truly serve to bring to life the workplace realities that today's student will encounter in the course of a career.

This full featured text is provided as an option to the price sensitive student. It is a full 4 color text that's three whole punched and made available at a discount to students. Also, available in a package with Connect Plus - (ISBN-13: 9780077713355).

Contemporary Management by Jones and George distinguishes itself through its authorship, comprehensive/current contents, exceptionally rich and relevant examples, and applications/experiential exercises provided in every single chapter. The new eighth edition of Contemporary Management continues to provide students the most current and up-to-date account of the changes taking place in the world of business management. Jones and George focus on keeping it relevant and interesting to students, while still mirroring the changes taking place in management practices by incorporating recent developments in management theory and research through vivid, current examples of how managers of companies large and small have responded to the changes taking place.

Ancillary package available upon adoption.

Jones/George, Essentials of Contemporary Management is the concise edition of Contemporary Management. Jones and George are dedicated to the challenge of "Making It Real" for students. The authors present management in a way that keeps it relevant to students even if they lack exposure to a "real-life" management context. This is accomplished thru a diverse set of examples and the most popular feature of the text, "Manager as a Person" (Ch. 2). This chapter discusses managers as real people with their own personalities, strengths, weaknesses, opportunities, and problems. This theme is carried thru-out the remaining chapters. Discussions take place regarding the importance of Management Competencies the specific set of skills, abilities, and experiences that gives one manager the ability to perform at a higher level than another in a specific context. The themes of diversity, ethics, globalization, and information technology are integrated throughout.

•Binder Ready Loose-Leaf Text (0077439473) - This full featured text is provided as an option to the price sensitive student. It is a full 4 color text that's three whole punched and made available at a discount to students. Also available in a package with Connect Plus - (0077439414)

Management Principles for Health Professionals is a practical guide for new or future practicing healthcare managers. The customary activities of the manager-planning, organizing, decision making, staffing, motivating, and budgeting-are succinctly defined, explained, and presented with detailed examples drawn from a variety of health care settings. Students will learn proven management concepts, techniques, models, and tools for managing individuals or teams with skill and ease. The Sixth Edition is loaded with all-new examples from real-world healthcare settings and covers many current topics such as: ? Emerging implications of the Patient Protection and Affordable Care Act of 2010. ? A template to track the areas of impact of this major law is presented; this enables a manager to identify the topics to monitor and to prepare responses to changes as they unfold. ? Developments concerning electronic health record initiatives ? Adapting and revitalizing one's career; ? Information concerning various staffing alternatives such as outsourcing and telecommuting, and updates the material concerning job descriptions and their application. New material has been added in the section on consultant's contracts and reports. ? Patient privacy and the detection and prevention of medical identity theft, and much more.
