There is nothing quite like the relationship between a farmer and his dog. 'For me, the bond I have with Peg, my border collie sheepdog is priceless. I know how very lucky I, and thousands of other shepherds and farmers, are to have these extraordinarily bright, enthusiastic dogs at our side.' In A Farmer and His Dog, Adam Henson explores the unique relationship between a farmer and his most loyal friend. Sheepdogs come in a variety of shapes and sizes from border collies to Australian kelpies (rumoured to be a distant relative of the dingo). Not only are they essential to the running of a farm, but they are also fiercely intelligent and exceptionally devoted companions, having evolved over millennia to make the make the work of a shepherd possible. But it is not just the farmer working the land who benefits from the extraordinary relationship between man and dog. Beginning by introducing us to the dogs who have been faithful companions to the Henson family over the years, Adam goes on to explore the impact made by the UK's hardest working breeds. From traditional herding dogs and gundogs - such as the Labrador's he grew up with and the Hungarian wire-haired Vizslas like Boo and Olive who live with him now - to the assistance dogs, sniffer dogs and even search and rescue dogs, whose stories have reinforced Adam's belief that we humans owe an enormous debt to our wet-nosed, four-legged friends.

Join the UK's most-loved farmer, Adam Henson, on a fascinating journey around the farm. In this interactive non-fiction book, with over 40 flaps, you can discover where food comes from, peek inside a combine harvester, and uncover incredible facts about popular farm animals. Did you know that one sheep shearer can shear 200 sheep in a day? Or that robots can milk cows? Do you know what a beetle bank is? Or how peas are harvested? Adam - and his trusty sheepdog, Peg - are the perfect guides for your day on the farm. With colourful scenes, clever flaps that will intrigue a wide age group, and lively illustration, this is a book for all budding farmers and animal-lovers. Both entertaining and educational, this is quality, fascinating non-fiction for families.

'People say oLike father, like sono, and the story of my life has mirrored my father's to a quite uncanny degree. Right from when I was a little boy, he was my rock; my mentor; my hero. It is no exaggeration to say that he taught me virtually everything I know about both country life and television. Without him, I certainly would not be doing what I am today ...' Like Farmer, Like Son is a truly remarkable account of Adam's life that explores a hidden family history and the unbreakable bond between Adam and his life-long hero- his father Joe. In the 1940s and '50s, Joe, the son of stage and film star Leslie Henson, chose a completely different path, alien to his thespian parents and decided to pursue a career as a farmer. In addition, Joe overcame a serious stammer to become a regular broadcaster on Country Matters and also became the saviour of Britain's rare breeds. He even put his business and his reputation at stake to open the world's first Farm Park. Here, for the first time, Adam reveals the family traits, childhood experiences and farming wisdom which have made him the man he is today. As he trawls the family archive and discovers his own bloodline, Adam learns to understand and appreciate the famous grandfather he never knew and pays tribute to the wonderful father he has so recently lost.

One farm. Two worlds. Three generations. Fuelled by dreams of a rural idyll, Lorna Sixsmith and her husband swap the 9 to 5 for a return to her family's ancestral farm at Garrendenny. They love the fields and lanes of their corner of Ireland where their black and white herd flourishes, the land where the patterns of their lives echo those of generations of Sixsmiths before them. But a rural existence isn't a heaven on earth. Bad weather, runaway bulls, temperamental farm machinery and cows that refuse to be milked can test anyone's patience. But not for too long the fields, the animals and the laughter always win out. Warm, witty and wise, Lorna Sixsmith effortlessly mixes family memories, social history and her own hard-won insights into life on the land. Praise for Till the Cows Come Home 'A mesmerising tale of Irish farming ... From top cow Delilah to the stranger at the silage table, the jobs, joys and challenges are skilfully tied together Lorna Sixsmith is a natural storyteller in the vein of Alice Taylor.' ANN FITZGERALD, author of A Year on Our Farm and journalist with Farming Independent 'A strong female farming voice and a vivid sense of a rural childhood Drink in rural life for the first time or get lost in pleasant memories. A must-read memoir.' SHARON THOMPSON, author of The Abandoned

Discover a forgotten British heritage. The protection and promotion of the UK's native rare breeds is something that's in Adam Henson's blood. His father, Joe, established the Rare Breeds Trust in 1973, and they have been a core attraction at their Cotswold Farm Park, and a part of the Henson family story ever since. In A Breed Apart, Adam Henson takes readers on a very personal journey around the nation, discovering the animals that have shaped our lives and our land throughout the centuries. From postcard perfect Highland Cows to the Cotswold sheep (for whom the Cotswolds are named), to the fearsome, four-horned Manx Loagthan ram and the Ulster White Pig, Adam travels the length and breadth of the British Isles, uncovering the history of these ancient animals, meeting the specialists and farmers who are passionate about their preservation, and shares his hopes for the future of these magnificent and unique breeds and his fight for their survival. This is the story of Britain, told through the native breeds that have nourished and nurtured the nation.

Escape into nature with Matt Baker in his first ever book - a diary of the natural year and a glimpse into family life on the farm Peppered with his hand drawn sketches and moments from his TV career throughout, this is a heartfelt and fascinating insight into Matt's life outside of our TV screens _____ Matt Baker is at his happiest on the farm. Away from the bright lights of hosting our favourite television programmes, Countryfile, The One Show, Blue Peter and many more, he is often in the company of his family, dogs, array of sheep, Mediterranean miniature donkeys and a whole host of wildlife in the farm's ancient woodland. Now, following the ever-changing seasons, Matt takes us on a journey with his family on the farm. We see woodland animals emerge after a long winter of hibernation, hear the dawn chorus in the height of summer and see the preparations unfold for the harsh and wild winter months. Peppered with hand drawn sketches, unforgettable moments from his TV career and stories of a landscape you'll fall in love with, Matt offers readers a touching insight into life on the farm, and how the power and beauty of the countryside can be an inspiration and source of joy for all of us. A celebration of the natural year, Matt Baker takes us on a journey through the seasons, his life on the farm and how the power and beauty of the countryside has made him who he is.

The Sunday Times Top 10 bestseller by the shepherdess and star of Channel 5's Our Yorkshire Farm. 'With its fizzing energy and celebration of nature and community, this is perfect comfort reading for uncertain times' Daily Mail Amanda Owen loves her traditional life on her hill farm alongside her nine children and husband Clive. And, as readers of her previous bestsellers will know, every day at Ravenseat brings surprises. In Adventures of the Yorkshire Shepherdess Amanda takes us from her family's desperate race to save a missing calf to finding her bra has been repurposed as a house martin's nest, and from wild swimming to the brutal winter that almost brought her to her knees. As busy as she is with her family and flock though, an exciting new project soon catches her eye . . . Ravenseat is a tenant farm and may not stay in the family, so when Amanda discovers a nearby farmhouse up for sale, she knows it is her chance to create roots for her children. The old house needs a lot of renovation and money is tight, so Amanda sets about the work herself, with some help from a travelling monk, a visiting plumber and Clive. It's fair to say things do not go according to plan! Funny, evocative and set in a remote and beautiful landscape, this book will delight anyone who has hankered after a new life in the country.
