remain some of the most secretive locations in the United States legal system. Police undertake interrogation to discover the truth about a crime. Police, along with society at large, want guilty people to confess and innocent people to resist. The stakes are particularly high because a confession is even more powerful

Interrogation

Interrogation provides a single comprehensive source for

understanding issues relating to police interrogation and confession. It sheds light on the range of factors that may influence the outcome of the interrogation of a suspect, which ones make it more likely that

Download File

PDF Criminal

Interrogation  
And  
Confessions

a person will confess, and which may also inadvertently lead to false confessions. There is a significant psychological component to police interrogations, as interrogators may try to build rapport with the suspect, or trick them into thinking there is evidence against them that does not exist. Also

Download File

PDF Criminal

interrogation is the extent to which the interrogator is convinced of the suspect ' s guilt, a factor that has clear ramifications for today ' s debates over treatment of black suspects and other people of color in the criminal justice system. The volume employs a totality of the
