The Rocky Mountains have cast their spell over the Courtlands, a young family from the plains taking a last summer vacation before their daughter begins college. For eighteen-year-old Caitlin, the mountains loom as the ultimate test of her runner's heart, while her parents hope that so much beauty, so much grandeur, will somehow repair a damaged marriage. But when Caitlin and her younger ...

Don't miss Tim Johnston's new novel, The Current, coming January 22, 2019! * Read this astonishing novel . . . The magic of his prose equals the horror of Johnston ’ s story. " —The Washington Post The Rocky Mountains have cast their spell over the Courtlands, who are taking a family vacation before their daughter leaves for college. But when Caitlin and her younger brother, Sean, go out for an early morning run and only Sean returns, the mountains become as terrifying as they are majestic. Written with a precision that captures every emotion, every moment of fear, as each member of the family searches for answers, Descent races like an avalanche toward its heart-pounding conclusion. " A compelling thriller that is both creepy and literary. . . Descent is not just a mystery. It is an emotional story of evil, fear, acceptance and irony. " —The Denver Post " What makes the novel unforgettable is its sense of character, its deliberate, unadorned prose and Johnston ’ s unflinching exploration of human endurance, physical and psychological. " —Miami Herald " A super-charged, addictive read. " —The Missourian " An original and psychologically deep thriller. " —Outside magazine " Outstanding . . . The days when you had to choose between a great story and a great piece of writing? Gone. " —Esquire " [A] dazzling debut . . . Exquisitely crafted. " —The Dallas Morning News " Incredibly powerful, richly atmospheric. " —Minneapolis Star Tribune " [An] engulfing thriller-cum-western. " —The New York Times Book Review " Brilliant . . . As gripping as any Everest expedition. " —Peter Heller, author of The Dog Stars

A Breakout NEW YORK TIMES Bestseller A USA Today Bestseller An Indie National Bestseller " Outstanding. . . The days when you had to choose between a great story and a great piece of writing? Gone. " —Esquire " The story unfolds brilliantly, always surprisingly. . . The magic of his prose equals the horror of Johnston ’ s story; each somehow enhances the other . . . Read this astonishing novel. " —The Washington Post " Tim Johnston ’ s high-wire literary thriller . . . will leave you gasping. " —Vanity Fair " A riveting literary thriller of the can ’ t-stop-turning-the-page, stay-up-all-night variety. " —Alice LaPlante, author of A Circle of Wives The Rocky Mountains have cast their spell over the Courtlands, a young family from the plains taking a last summer vacation before their daughter begins college. For eighteen-year-old Caitlin, the mountains loom as the ultimate test of her runner’ s heart, while her parents hope that so much beauty, so much grandeur, will somehow repair a damaged marriage. But when Caitlin and her younger brother, Sean, go out for an early morning run and only Sean returns, the mountains become as terrifying as they are majestic, as suddenly this family find themselves living the kind of nightmare they ’ ve only read about in headlines or seen on TV. As their world comes undone, the Courtlands are drawn into a vortex of dread and recrimination. Why weren ’ t they more careful? What has happened to their daughter? Is she alive? Will they ever know? Caitlin ’ s disappearance, all the more devastating for its mystery, is the beginning of the family’ s harrowing journey down increasingly divergent and solitary paths until all that continues to bind them together are the questions they can never bring themselves to ask: At what point does a family stop searching? At what point will a girl stop fighting for her life? Written with a precision that captures every emotion, every moment of fear, as each member of the family searches for answers, Descent is a perfectly crafted thriller that races like an avalanche toward its heart-pounding conclusion, and heralds the arrival of a master storyteller.

" The Current is a rare creature: a gripping thriller and page-turner but also a masterwork of mood and language—a meditation on memory and time. You ’ ll want to go fast at the same time you ’ ll be compelled to savor each and every word. " —Ivy Pochoda, author of Wonder Valley Tim Johnston, whose breakout debut Descent was called " astonishing, " " dazzling, " and " unforgettable " by critics, returns with The Current, a tour de force about the indelible impact of a crime on the lives of innocent people. In the dead of winter, outside a small Minnesota town, state troopers pull two young women and their car from the icy Black Root River. One is found downriver, drowned, while the other is found at the scene—half frozen but alive. What happened was no accident, and news of the crime awakens the community ’ s memories of another young woman who lost her life in the same river ten years earlier, and whose killer may still live among them. Determined to find answers, the surviving young woman soon realizes that she ’ s connected to the earlier unsolved case by more than just a river, and the deeper she plunges into her own investigation, the closer she comes to dangerous truths, and to the violence that simmers just below the surface of her hometown. Grief, suspicion, the innocent and the guilty—all stir to life in this cold northern town where a young woman can come home, but still not be safe. Brilliantly plotted and unrelentingly propulsive, The Current is a beautifully realized story about the fragility of life, the power of the past, and the need, always, to fight back.

Walt Johnson has been a rolling stone most of his life, moving from town to town and living on the edges of homelessness. Now he has run out of time as lung cancer has left him only months to live. Walt then begins a quest to find the son with whom he lost contact decades earlier. Out of money, he lands a job at a small-town restaurant in an attempt to save enough to buy a bus ticket to the last known whereabouts of his son. The friends Walt makes at his new job soon become family for him, especially 14-year-old Danny who is emotionally paralyzed at the loss of his own father in Iraq. Faced with Danny ’ s struggles to grow up and the struggles of his other new friends, Walt comes to realize he is not only on a journey to find his own son, but he is on a journey to find himself worthy of being a father.

We are not alone. Some call them devils or demons. But they are real. They are down there. And they are waiting for us to find them. In a cave in the Himalayas, a guide discovers a self-mutilated body with a warning: Satan exists. In the Kalahari Desert, a nun unearths evidence of a proto-human species and a deity called Older-than-Old. In Bosnia, something has been feeding upon the dead in a mass grave. So begins mankind ’ s most shocking realization: the underworld is a vast geological labyrinth populated by another race of beings. With all of Hell’s precious resources and territories to be won, a global race ensues. Nations, armies, religions, and industries rush to colonize and exploit the subterranean frontier. A scientific expedition is launched westward to explore beneath the Pacific Ocean floor, both to catalog the riches there and to learn how life could develop in the sunless abyss. But in the dark underground, as humanity falls away from them, the scientists and mercenaries find themselves prey not only to the savage creatures, but also to their own treachery, mutiny, and greed. One thing is certain: Miles inside the earth, evil is very much alive.

"Black Star's Campaign" by Johnston McCulley. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

" Original and imaginative. . . Rippling suspense, sheer terror, and a wrenching love story. " —Sandra Brown, New York Times bestselling author of Friction The terrible truth about Manderley is that someone is always watching. Manderley Resort is a gleaming, new twenty-story hotel on the California coast. It ’ s about to open its doors, and the world—at least those with the means to afford it—will be welcomed into a palace of opulence and unparalleled security. But someone is determined that Manderley will never open. The staff has no idea that their every move is being watched, and over the next twelve hours they will be killed off, one by one. Writing in the tradition of Edgar Allan Poe and Stephen King, and with a deep bow to Daphne du Maurier, author Gina Wohlsdorf pairs narrative ingenuity and razor-wire prose with quick twists, sharp turns, and gasp-inducing terror. Security is grand gignol storytelling at its very best. A shocking thriller, a brilliant narrative puzzle, and a multifaceted love story unlike any other, Security marks the debut of a fearless and gifted writer. " Be surprised, be very surprised: Gina Wohlsdorf brings more than just plot twists and a terrifically tender love story to this thriller. . . It ’ s her playful homage to Hitchcock and du Maurier that had me reading, howling, and just plain loving this novel. " —Sara Gruen, author of At the Water ’ s Edge " Grand Hotel meets Psycho in the age of surveillance. . . Security is cinematically vivid, crisply written, and sharp enough to cut. . . Wohlsdorf brilliantly subverts our expectations of the action genre in this smart, shocking, poignant thriller. " —Emily Croy Barker, author of The Thinking Woman ’ s Guide to Real Magic " The thrill of this novel goes beyond its wickedly clever, split-screen, high-tech wizardry—a kind of video gamer ’ s literary retake of Hitchcock ’ s Rear Window—and emanates from its strange, disembodied narrator. . . The effect is terrifying, sexy, dizzying, and impossible to look away from. " —Tim Johnston, author of Descent " Shocking and filled with Tarantino-ish dark humor. . . Structurally reminiscent of the amazing Jennifer Egan,Wohlsdorf ’ s book is certainly a hybrid, like nothing else. Get ready. " —Ann Beattie, author of The State We ’ re In " Flawless. . . Security is perfectly tuned for blockbuster status. . . They don ’ t make a hotel big enough to house all the people who will want to read this, and soon, as in Manderley, all eyes will be on Wohlsdorf. " —Daniel Kraus, Booklist, starred review

From the New York Times bestselling author of Think Twice and Look Again comes an emotionally powerful novel about a split-second choice, agonizing consequences, and the need for justice Rose McKenna volunteers as a lunch mom in her daughter Melly's school in order to keep an eye on Amanda, a mean girl who's been bullying her daughter. Her fears come true when the bullying begins, sending Melly to the bathroom in tears. Just as Rose is about to follow after her daughter, a massive explosion goes off in the kitchen, sending the room into chaos. Rose finds herself faced with the horrifying decision of whether or not to run to the bathroom to rescue her daughter or usher Amanda to safety. She believes she has accomplished both, only to discover that Amanda, for an unknown reason, ran back into the school once out of Rose's sight. In an instance, Rose goes from hero to villain as the small community blames Amanda's injuries on her. In the days that follow, Rose's life starts to fall to pieces, Amanda's mother decides to sue, her marriage is put to the test, and worse, when her daughter returns to school, the bullying only intensifies. Rose must take matters into her own hands and get down to the truth of what really happened that fateful day in order to save herself, her marriage and her family. In the way that Look Again had readers questioning everything they thought they knew about family, Save Me will have readers wondering just how far they would go to save the ones they love. Lisa Scottoline is writing about real issues that resonate with real women, and the results are emotional, heartbreaking and honest.

When a popular high-school student goes missing from her small Midwestern community, her loving parents, introverted sister, friends, and boyfriend devote themselves to finding her, an effort that gives way to pleading television appearances, private investigations, and intimate struggles to cling to hope. 60,000 first printing.
