For more than twenty years Douglas Moo ' s NICNT volume on Romans has been providing pastors, students, and scholars with profound insight into Paul ' s most famous letter. In this thorough revision of his commentary, Moo deals with issues that have come into prominence since the first edition (1996), incorporating the latest research and rewriting the text throughout for better comprehension. Exegetically astute and theologically minded, Moo interacts critically with the new perspective on Paul, highlights the emphasis in Romans on “ practical divinity, ” and traces the theme of the gospel throughout the letter. His Letter to the Romans in this second edition will inform and enlighten a new generation of serious Bible readers.

Douglas Moo's work on the Epistle to the Romans is part of The New International Commentary on the New Testament. Prepared by some of the world's leading scholars, the series provides an exposition of the New Testament books that is thorough and fully abreast of modern scholarship yet faithful to the Scriptures as the infallible Word of God.

Our culture does not encourage thoughtful reflection on truth. Yet living the gospel in a postmodern culture demands that Christians understand and internalize the truth about God and his plan for the world. Paul's letter to the Romans remains one of the most important expressions of Christian truth ever written. Its message forces us to evaluate who we are, who God is, and what our place in this world ought to be. Going beyond the usual commentary, this volume brings the meaning of Paul's great letter into the twenty-first century. Douglas Moo comments on the text and then explores issues in Paul's culture and in ours that help us understand the ultimate meaning of each paragraph. A final section suggests ways in which the eternal theology of Romans can be understood and lived out in our modern culture.

In this updated edition of his successful textbook, a leading evangelical New Testament scholar offers a guide to the book of Romans that is informed by current scholarship and written at an accessible level. The new edition has been updated throughout and features a new interior design. After addressing introductory matters and laying the groundwork for reading Romans, Douglas Moo leads readers through the weighty argument of this significant book, highlighting key themes, clarifying difficult passages, and exploring the continuing relevance of Romans. As with other volumes in the well-received Encountering Biblical Studies series, this book is designed for the undergraduate classroom and includes pedagogical aids such as photos and sidebars.

An engaging and user-friendly survey of the Book of Romans

Few New Testament books have been as controversial and misunderstood as The Letter of James. Its place in the canon was contested by some early Christians, and the reformer Martin Luther called it an "epistle of straw". The sometimes negative view of the letter among modern theologians, however, is not shared by ordinary believers. Few books in the New Testament are better known or more often quoted, and because James is so concise, so intensely practical, and so filled with memorable metaphors and illustrations, it has become one of the two or three most popular New Testament books in the church. The highly original commentary on James by respected New Testament scholar Douglas Moo combines penetrating scholarship with the simplicity of style and pastoral tone characteristic of James himself. After discussing such background issues as authorship, genre, purpose, structure, and theology, Moo provides a verse-by-verse exposition of the text that leads readers to the heart of James's message - wholehearted commitment to Christ. In addition to expounding the meaning of James, Moo also takes care to provide practical insights for applying the meaning in the church today. A number of years in the making, interacting with the best and most recent works on James, and written for readers at all levels, this volume will quickly become a standard commentary on James.

A series of Bible study guides following the format and content of the NIV Application Commentaries Series. Each study looks at the original meaning, bridging contexts, and contemporary significance of the text, and offers small group participants a better understanding and relevant application of the biblical material to their daily lives.

In this addition to the award-winning BECNT series, highly regarded New Testament scholar Douglas Moo offers a substantive yet accessible commentary on Galatians. With extensive research and thoughtful chapter-by-chapter exegesis, Moo leads readers through all aspects of the book of Galatians--sociological, historical, and theological--to help them better understand its meaning and relevance. As with all BECNT volumes, this commentary features the author's detailed interaction with the Greek text and an acclaimed, user-friendly design. It admirably achieves the dual aims of the series--academic sophistication with pastoral sensitivity and accessibility--making it a useful tool for pastors, church leaders, students, and teachers.

Paul's Letter to the Romans may well be the most influential book in Christian history. In this Romans commentary Colin Kruse shows how Paul expounds the gospel against the background of God's sovereign action as creator, judge, and redeemer of the world. Valuable "additional notes" on important theological themes and difficult texts -- such as Paul's discussion of same-sex relationships, the salvation of "all Israel," and the woman Junia, who was "well known among the apostles" -- further connect Romans to contemporary issues. Throughout his commentary Kruse expertly guides readers through the plethora of interpretations of Romans, providing a reliable exposition of this foundational epistle.
