Dr. Amos Wilson Biography | African Warrior Scholars

Wilson believed the vast power differentials between Africans and non-Africans was the major social problem of the 21st century. He believed these power differentials, and not simply racist attitudes, was chiefly responsible for the existence of racism, and the continuing domination of people of African descent across the globe—white people exercise racism because they have the power to do so.

[and contends] that the alleged mental and behavioral maladaptiveness of oppressed Afrikan peoples is a political-economic necessity for the maintenance of White domination and imperialism."--Back cover.

Afrikan life into the coming millennia is imperiled by White and Asian power. True power must nest in the ownership of the real estate wherever Afrikan people dwell. Economic destiny determines biological destiny. 'Blueprint for Black Power' details a master plan for the power revolution necessary for Black survival in the 21st century. White treatment of Afrikan Americans, despite a myriad of theories explaining White behavior, ultimately rests on the fact that they can. They possess the power to do so. Such a power differential must be neutralized if Blacks are to prosper in the 21st century ... Aptly titled, 'Blueprint for Black Power' stops not at critique but prescribes radical, practical theories, frameworks and approaches for true power. It gives a biting look into Black potentiality. (Back cover).

the Fifteenth-century and beyond. In this text Amos Wilson details its origins as it evolved from biblical times with curse of Ham in the Old Testament up through the Middle Ages, enslavement, Jim Crow sadism and up to the present time. This experience has had long lasting impact on the creating, shaping and defining of the African American personality in particular, and the African personality worldwide. This text sets about exploring this development in its many aspects and attempts a reclamation of the African (often spelled Afrikan) mind. Herein Wilson attempts with surgical precision a remediation of this psycho-historical malady"--

Challenging societal beliefs, this volume rethinks African and world history from an Afrocentric perspective.
