GCSE 1PH0 / 1SC0 (9-1) These are the past papers from the current Edexcel GCSE course. If you're taking Combined Science then you need either 1PH and 2PH for Higher Tier, or 1PF and 2PF for Foundation Tier. If you take Triple Science Physics then you need Physics 1H and 2H, or 1F and 2F

Edexcel GCSE Physics Past Papers

exam-mate is an exam preparation and exam builder tool, containing a bank of topical and yearly past papers. It covers Cambridge IGCSE Past Papers, Edexcel International GCSE, Cambridge and Edexcel A Level and IAL along with their mark schemes. Students can use it to access questions related to topics, while teachers can use the software during teaching and to make exam papers easily.

Student Unit Guides are perfect for revision. Each guide is written by an examiner and explains the unit requirements, summarises the relevant unit content and includes a series of specimen questions and answers. There are three sections to each guide: Introduction - includes advice on how to use the guide, an explanation of the skills being tested by the assessment objectives, an outline of the unit or module and, depending on the unit, suggestions for how to revise

effectively and prepare for the examination questions.

Content Guidance - provides an examiner's overview of the module's key terms and concepts and identifies opportunities to exhibit the skills required by the unit. It is designed to help students to structure their revision and make them aware of the concepts they need to understand the exam and how they might analyse and evaluate topics. Question and Answers - sample questions and with graded answers which have been carefully written to reflect the style of the unit. All responses are accompanied by commentaries which highlight their respective strengths and weaknesses, giving students an insight into the mind of the examiner.

Part of our hugely successful series of AS and A2 revision guides, this guide will help your students prepare for their exams.

Improve your grades by focusing revision and build confidence and strengthen exam technique. Student Unit Guides are perfect for revision. Developed for the new International A Level specification, these new resources are specifically designed for international students, with a strong focus on progression, recognition and transferable skills, allowing learning in a local context to a global standard. Recognised by universities worldwide and fully comparable to UK reformed GCE A levels. Supports a modular approach, in line with the specification. Appropriate international content puts learning in a real-world context, to a global standard, making it engaging and relevant for all learners. Reviewed by a language specialist to ensure materials are written in a clear and accessible style. The embedded transferable skills, needed for progression to higher education and employment, are signposted so students understand what skills they are developing and therefore go on to use these skills more effectively in the future. Exam practice provides opportunities to assess understanding and progress, so students can make the best progress they can.
