organized church . . . or walking away from the faith altogether. Containing personal interviews with women and new research from George Barna, *The Resignation of Eve* is a field report on what women have to say about how they've been affected by their experiences within the church. Inviting women to speak for themselves, *The Resignation of Eve* is a must-read, life-changing book for women who have been engaged in the Christian church as well as their pastors and ministry leaders.
