Gain the knowledge and skills you need to move from interview candidate, to team member, to leader with this fully updated Fourth Edition of Business and Professional Communication by Kelly M. Quintanilla and Shawn T. Wahl. Accessible coverage of new communication technology and social media prepares you to communicate effectively in real world settings. With an emphasis on building skills for business writing and professional presentations, this text empowers you to successfully handle important work-related activities, including job interviewing, working in team, strategically utilizing visual aids, and providing feedback to supervisors. New to the Fourth Edition: A New “Introduction for Students” introduces the KEYS process to you and explains the benefits of studying business and professional communication. Updated chapter opening vignettes introduce you to each chapter with a contemporary example drawn from the real world, including a discussion about what makes the employee-rated top five companies to work for so popular, new strategies to update PR and marketing methods to help stories stand out, Oprah Winfrey’s 2018 Golden Globe speech that reverberated throughout the #metoo movement, Simon Sinek’s “How Great Leaders Inspire Action” TED talk, and the keys to Southwest Airlines’ success. An updated photo program shows diverse groups of people in workplace settings and provides current visual examples to accompany updated vignettes and scholarship in the chapter narrative.

KEY BENEFIT: With its real-life examples and cases, and its lively, conversational writing style, Bovee/Thill/Mescon brings concepts to life and prepares students for obtaining and pursuing satisfying business careers. KEY TOPICS: Bovee/Thill/Mescon weaves a four-part pedagogical tool through out each chapter. It starts with Orient, which outlines what is going to be covered in the chapter and then connects these topics with a “role-model” business professional. Next is Explore, which looks at the skills that their “role-model” used in order to be successful. Third is Confirm, which revisits what they have learned in the chapter. And, finally, Apply allows students to use the skills they have learned in the chapter. MARKET: For introductory level business students.

This book integrates theories, research insights, practices, as well as current issues and cases into a comprehensive guide for internal communication managers and organizational leaders on how to communicate effectively with internal stakeholders. Important topics such as engagement, trust, change communication, new technologies, leadership communication, ethical decision making, transparency and authenticity, and measurement are discussed. The book concludes with predictions of the future of internal communications research, theory development, and practices.
