Canadian Parties in Transition examines the transformation of party politics in Canada and the possible shape the party system might take in the near future. With chapters written by an outstanding team of political scientists, the book presents a multi-faceted image of party dynamics, electoral behaviour, political marketing, and representative democracy. The fourth edition has been thoroughly updated and includes fifteen new chapters and several new contributors. The new material covers topics such as the return to power of the Liberal Party, voting politics in Quebec, women in Canadian political parties, political campaigning, digital party politics, and municipal party politics.

This title includes the following features: Suggestions for evaluation, co-operative learning, and dealing with different learning styles in the classroom; Teaching Notes and additional activities for each chapter; Numerous reproducible student worksheets; Convenient 3-ring binderformat

Helps readers understand how the many languages of film work together to create meaning. Louis Giannetti organizes "Understanding Movies" around the key elements of filmmaking, including cintematography, Mise en Scene, movement, editing, sound, acting, drama, casting, story, screenwriting, ideology, and theory. He synthesizes every element through a complete case study: "Citizen Kane," This book's ideas are illuminated with hundreds of high-quality still photos, more than 70 in full color, taken from movies such as "The Matrix, Almost Famous, jackass the movie, Chicago, Lord of the Rings, Mystic River, and Traffic. New in this edition: a full section on contemporary special effects and computer generated imagery (CGI); up-to-the-minute information on new developments in film technology; more coverage of recent films and filmmakers; more ethnic diversity (including new material on the Islamic cinema); and more lavish use of color and high-quality paper. An updated Companion Website contains animations, video clips from interviews with movie professionals, and Research Navigator access to "New York Times" film reviews. For everyone who wants to understand the artistry and meaning of the movies.

Krakauer ' s page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of Into the Wild. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interst that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding—and not an ounce of sentimentality. Mesmerizing, heartbreaking, Into the Wild is a tour de force. The power and luminosity of Jon Krakauer's stoytelling blaze through every page.

In this second edition essential guide some 150 key genres, movements, theories and production terms are explained and analysed with depth and clarity.

A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, The Things They Carried is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. The Things They Carried depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O ' Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. The Things They Carried won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

Aspiring to be the fastest sprinter on his elite middle school's track team, gifted runner Ghost finds his goal challenged by a tragic past with a violent father.
