From the bestselling author of *Searching for Sylvie Lee* and *Girl in Translation*, a novel about a young woman torn between her family duties in Chinatown and her escape into the world of ballroom dancing. Twenty-two-year-old Charlie Wong grew up in New York's Chinatown, the older daughter of a Beijing ballerina and a noodle maker. Though an ABC (America-born Chinese), Charlie's entire world has been limited to this small area. Now grown, she lives in the same tiny apartment with her widower father and her eleven-year-old sister, and works—miserably—as a dishwasher. But when she lands a job as a receptionist at a ballroom dance studio, Charlie gains access to a world she hardly knew existed, and everything she once took to be certain turns upside down. Gradually, at the dance studio, awkward Charlie's natural talents begin to emerge. With them, her perspective, expectations, and sense of self are transformed—something she must take great pains to hide from her father and his suspicion of all things Western. As Charlie blossoms, though, her sister becomes chronically ill. As Pa insists on treating his ailing child exclusively with Eastern practices to no avail, Charlie is forced to try to reconcile her two selves and her two worlds—Eastern and Western, old world and new—to rescue her little sister without sacrificing her newfound confidence and identity.

twisting tale of love, loss, and dark family secrets.” – Paula Hawkins, #1 New York Times bestselling author of *The Girl on the Train* and *Into the Water* A poignant and suspenseful drama that untangles the complicated ties binding three women—two sisters and their mother—in one Chinese immigrant family and explores what happens when the eldest daughter disappears, and a series of family secrets emerge, from the New York Times bestselling author of *Girl in Translation* It begins with a mystery. Sylvie, the beautiful, brilliant, successful older daughter of the Lee family, flies to the Netherlands for one final visit with her dying grandmother—and then vanishes. Amy, the sheltered baby of the Lee family, is too young to remember a time when her parents were newly immigrated and too poor to keep Sylvie. Seven years older, Sylvie was raised by a distant relative in a faraway, foreign place, and didn't rejoin her family in America until age nine. Timid and shy, Amy has always looked up to her sister, the fierce and fearless protector who showered her with unconditional love. But what happened to Sylvie? Amy and her parents are distraught and desperate for answers. Sylvie has always looked out for them. Now, it's Amy's turn to help. Terrified yet determined, Amy retraces her sister's movements, flying to the last place Sylvie was seen. But instead of simple answers, she discovers something much more valuable: the truth. Sylvie, the golden girl, kept painful secrets . . . secrets that will reveal more about Amy's complicated family—and herself—than she ever could have imagined. A deeply moving story of family, secrets, identity, and longing, *Searching for Sylvie* Lee is both a gripping page-turner and a sensitive portrait of an immigrant family. It is a profound exploration of the many ways culture and language can divide us and the impossibility of ever truly knowing someone—especially those we love. “This is a true beach read! Hailed by critics and writers as powerful, important fiction, *Monkey Bridge* charts the unmapped territory of the Vietnamese American experience in the aftermath of war. Like navigating a monkey bridge—a bridge, built of spindly bamboo, used by peasants for centuries—the narrative traverses perilously between worlds past and present, East and West, in telling two interlocking stories: one, the Vietnamese version of the classic immigrant experience in America, told by a young girl; and the second, a dark tale of betrayal, political intrigue, family secrets, and revenge—her mother's tale. The haunting and beautiful terrain of *Monkey Bridge* is the “luminous motion,” as it is called in Vietnamese myth and legend, between generations, encompassing Vietnamese lore, history, and dreams of the past as well as of the future. “With incredible lightness, balance and elegance,” writes Isabel Allende, “Lan Cao crosses

SHORTLISTED FOR THE CENTER FOR FICTION FIRST NOVEL PRIZE A lyrical novel set against the backdrop of China's Cultural Revolution that follows a father's quest to reunite his family before his precocious daughter's momentous birthday, which Garth Greenwell calls "one of the most beautiful debuts I've read in years." "A beautifully written, poignant exploration of family, art, culture, immigration, and most of all, love." —Jean Kwok, author of *Searching for Sylvie Lee* and *Girl in Translation* How many times in life can we start over without losing ourselves? In the summer of 1986, in a small Chinese village, ten-year-old Junie receives a momentous letter from her parents, who had left for America years ago: her father promises to return home and collect her by her twelfth birthday. But Junie's growing determination to stay put in the idyllic countryside with her beloved grandparents threatens to derail her family's shared future. What Junie doesn't know is that her parents, Momo and Cassia, are newly estranged from one another in their adopted country, each holding close private tragedies and histories from the tumultuous years of their youth during China's Cultural Revolution. While Momo grapples anew with his deferred musical ambitions and dreams for Junie's future in America, Cassia finally begins to wrestle with a shocking act of brutality from years ago. In order for Momo to fulfill his promise, he must make one last desperate attempt to reunite all three members of the family before Junie's birthday—even if it means bringing painful family secrets to light. *Swimming Back to Trout River* weaves together the stories of Junie, Momo, Cassia, and Dawn—a talented violinist from Momo's past—while depicting their heartbreak and resilience, tenderly revealing the hope, compromises, and abiding ingenuity that make up the lives of immigrants. Feng's debut is "filled with tragedy yet touched with life-affirming passion" (Kirkus Reviews, starred review), and "Feng weaves a plot both surprising and inevitable, with not a word to spare" (Booklist, starred review).

NEW YORK TIMES EDITORS' CHOICE • Set in Senegal, this modern-day *Oliver Twist* is a meditation on the power of love, and the strength that can emerge when we have no other choice but to survive. "I loved this book because it is a story about generations of parents and children saving one another with a love so powerful that it transcends distance, time, and reason."—Ann Napolitano, New York Times bestselling author of *Dear Edward* Six-year-old Ibrahimah loves snatching pastries from his mother's kitchen, harvesting string beans with his father, and searching for sea glass with his sisters. But when he is approached in his rural village one day by Marabout Ahmed, a seemingly kind stranger and highly regarded

teacher, the tides of his life turn forever. Ibrahimah is sent to the capital city of Dakar to join his cousin Étienne in studying the Koran under Marabout Ahmed for a year, but instead of the days of learning that Ibrahimah's parents imagine, the young boys, called Talibé, are forced to beg in the streets in order to line their teacher's pockets. To make it back home, Étienne and Ibrahimah must help each other survive both the dangers posed by their Marabout, and the darker sides of Dakar: threats of black-market organ traders, rival packs of Talibé, and mounting student protest on the streets. Drawn from real incidents and transporting readers between rural and urban Senegal, *No Heaven for Good Boys* is a tale of hope, resilience, and the affirming power of love.

"A warm, beguiling book full of hard-won wisdom."--Janet Maslin, *The New York Times* "The Center of Everything is as realistic and familiar as a summer day in Kansas--brave and gritty, strong voiced and spare."--O, *The Oprah Magazine* Set in Kerrville, Kansas, *The Center of Everything* is told by Evelyn Bucknow, an endearing character with a wholly refreshing way of looking at the world. Living with her single mother in a small apartment, Evelyn Bucknow is a young girl wincing her way through adolescence. With a voice that is as charming as it is recognizable, Evelyn immerses the reader in the dramas of an entire community. The people of Kerrville, stuck at once in the middle of nowhere but also at the center of everything, are the source from which Moriarty draws on universal dilemmas of love and belief to render a story that grows in emotional intensity until it lifts the reader to heights achieved only by the finest of fiction.
