The writing definitely kept me turning the pages. I wanted to know what was different about Finn. This is a solid Science Fiction/Fantasy offering that was an easy read. The second book Infinity Rises is scheduled for release in January, 2016. I will be looking forward to some answers about Infinity. I hope the next book is as enjoyable as the first.

Infinity Lost (The Infinity Trilogy Book 1) eBook ...

Infinity is back in the third installment of the series. Once again, there is plenty of action from the outset, initially beginning with a struggle between Finn and Infinity over whose body it really is. This struggle for identity almost destroys both personalities as they continuously compete and collide with each other.

In the near future, one corporation, Blackstone Technologies, has changed the world: no disasters, no poverty, and life-altering technology. Blackstone has the impunity to destroy--or create--as it sees fit. Infinity "Finn" Blackstone is the seventeen-year-old daughter of Blackstone's reclusive CEO--but she's never even met him. When disturbing dreams about a past she doesn't remember begin to torment her, Finn knows there's only one person who can provide answers: her father. After Finn and an elite group of peers are invited to Blackstone's top-secret HQ, Finn realizes she may have a chance to confront her father. But when a highly sophisticated company AI morphs into a killing machine, the trip descends into chaos. Trapped inside shape-shifting walls, Finn and her friends are at the mercy of an all-seeing intelligence that will destroy everything to get to her. With no hope of help, Finn's dream-memories may be the only chance of survival. But will she remember in time to save her own life and the lives of those around her?

Perfection has its price, and humanity is about to pay...unless seventeen-year-old Finn Blackstone can stop the looming threat. Her father, a brilliant but mad global tech tycoon, has deemed humanity too flawed to tolerate, and he's determined to pave the way for a superior species. Finn is the only one capable of foiling his apocalyptic schemes, but she's being held captive--not only physically but also by the dark secrets and darker impulses within her own fractured mind. Though her allies are dwindling and she has been betrayed by those she trusted most, Finn makes a desperate attempt to free herself and races to save humanity from total annihilation. To succeed, she must finally accept the truth about what she really is--and embrace the terrifying power she has possessed all along.

A New York Times, Publishers Weekly, and IndieBound bestseller! Balancing epic and intensely personal stakes, bestselling author Adam Silvera's *Infinity Son* is a gritty, fast-paced adventure about two brothers caught up in a magical war generations in the making. Growing up in New York, brothers Emil and Brighton always idolized the Spell Walkers--a vigilante group sworn to rid the world of specters. While the Spell Walkers and other celestials are born with powers, specters take them, violently stealing the essence of endangered magical creatures. Brighton wishes he had a power so he could join the fray. Emil just wants the fighting to stop. The cycle of violence has taken a toll, making it harder for anyone with a power to live peacefully and openly. In this climate of fear, a gang of specters has been growing bolder by the day. Then, in a brawl after a protest, Emil manifests a power of his own--one that puts him right at the heart of the conflict and sets him up to be the heroic Spell Walker Brighton always wanted to be. Brotherhood, love, and loyalty will be put to the test, and no one will escape the fight unscathed.

Can she collect enough fragments of her past before the nightmarish figure from her dreams catches up with her?As she wakes up in a bedroom she doesn't recognize, Ellayne becomes increasingly aware of one thing: she has no memories-no identity-no name. Dark figures not only haunt her nightmares, but also stalk her in reality. Ellayne finds herself on the run, chased by a hooded archer with deadly aim. When the source of her memory loss is uncovered,

## Download Free Infinity Lost The Infinity Trilogy Book 1

Ellayne and the companions she's made along the way must find a way to reverse the damage done to her by magic before she loses her memories again. \*If you enjoy escaping into enchanting worlds full of adventure, mystery, magic, and with a hint of romance, then pick up this story today and find yourself lost in the magical land of Phildeterre. (This is a clean novel appropriate for all ages).

Masterful and left me on the edge of my seat—absolutely everything I could want in a sci-fi. Adalyn Grace, New York Times bestselling author of *All the Stars and Teeth* and *Westworld* meets *Warcross* in this high-stakes, dizzyingly smart sci-fi about a teen girl navigating an afterlife in which she must defeat an AI entity intent on destroying humanity, from award-winning author Akemi Dawn Bowman. Eighteen-year-old Nami Miyamoto is certain her life is just beginning. She has a great family, just graduated high school, and is on her way to a party where her entire class is waiting for her—including, most importantly, the boy she's been in love with for years. The only problem? She's murdered before she gets there. When Nami wakes up, she learns she's in a place called Infinity, where human consciousness goes when physical bodies die. She quickly discovers that Ophelia, a virtual assistant widely used by humans on Earth, has taken over the afterlife and is now posing as a queen, forcing humans into servitude the way she'd been forced to serve in the real world. Even worse, Ophelia is inching closer and closer to accomplishing her grand plans of eradicating human existence once and for all. As Nami works with a team of rebels to bring down Ophelia and save the humans under her imprisonment, she is forced to reckon with her past, her future, and what it is that truly makes us human. From award-winning author Akemi Dawn Bowman comes an incisive, action-packed tale that explores big questions about technology, grief, love, and humanity.

There are three things Kori knows for sure about her life: One: Her army general dad is insanely overprotective. Two: The guy he sent to watch her, Cade, is way too good-looking. Three: Everything she knew was a lie. Now there are three things Kori never knew about her life: One: There's a device that allows her to jump dimensions. Two: Cade's got a lethal secret. Three: Someone wants her dead. The Infinity Division series is best enjoyed in order. Reading Order: Book #1 Infinity Book #2 Omega Book #3 Alpha

"The clever, fast-moving plot features a strong, appealing heroine, Sylvia Plath's poetry, romance, betrayal, and heart-stopping suspense." - Kirkus Reviews "This ambitious sci-fi novel, filled with multiverses and what-ifs... contains complex world building that would appeal to fans of TV's *Orphan Black*." - Booklist Almost fifteen, Alicia is smart and funny with a deep connection to the poet Sylvia Plath, but she's ultimately failing at life. With a laundry list of diagnoses, she hallucinates different worlds—strange, decaying, otherworldly yet undeniably real worlds that are completely unlike her own with her single mom and one true friend. In one particularly vivid hallucination, Alicia is drawn to a boy her own age named Jax who's trapped in a dying universe. Days later, her long-lost father shows up at her birthday party, telling her that the hallucinations aren't hallucinations, but real worlds; she and Jax are bound by a strange past and intertwining present. This leads her on a journey to find out who she is while trying to save the people and worlds she loves. J.Q. Coyle's *The Infinity of You & Me* is a wild ride through unruly hearts and vivid worlds guaranteed to captivate.

Jack Blank confronts his destiny in this action-packed conclusion to the trilogy Publishers Weekly calls a "no-holds-barred adventure." Ever since Jack Blank learned that he came from the amazing country of the Imagine Nation, he's known that his fate could go down two very different paths—he could either be the greatest hero the world has ever known, or its greatest villain. Now the final battle is here, and it's time for Jack to discover the direction of his destiny.

## Download Free Infinity Lost The Infinity Trilogy Book 1

The action-packed trilogy concludes with more surprises, twists, and adventure than ever—along with the same humor and heart that has brought so many fans to Jack's story.

I'm learning to accept that my entire life has been a lie, and that with my mother's disappearance there are mysteries I may never uncover. Not to mention, my abilities are manifesting and I'm just beginning to understand what being part of an Infinity really means. As my relationship with each guy grows, so does the Infinity bond between us. Living with four moody guys—who give me butterflies with a simple look—can be slightly overwhelming. Still, I need answers, and moving forward is the only way to get them. But there is a problem—each revelation provokes new questions, and secrets I may not be ready for are rising to the surface. Slow Burn Reverse Harem MMFM

On the technological, decadent world of Proton, someone was trying to destroy Stile, serf and master Gamesman. His only escape lay through a mysterious "curtain" revealed by a loving robot. Beyond the curtain lay Phaze—a world totally ruled by magic. There, his first encounter was with an amulet that turned into a demon determined to choke him to death. And there, he soon learned, his alternate self had already been murdered by sorcery, and he was due to be the next victim. "Know thyself!" the infallible Oracle told him. But first he must save himself as he shuttled between worlds. On Proton, his fate depended on winning the great Games. On Phaze, he could survive only by mastering magic. And if he used any magic at all, the werewolf and the unicorn who were his only friends were determined to kill him at once!
