Go on an adventure that will take you to places that you've only dreamed of. Just Imagine will open your heart and open your mind. If you've ever spent time daydreaming and watching the clouds go by - you'll be swept up into them - just as our heroine, Vai is. She embarks on an exciting adventure that impacts not only her friends, but the adults in her life. After a wild rainstorm, Vai ends up in the clouds befriended by two puffy cloud characters named Honesty and Integrity. When Vai goes missing, the disjointed community bands together to search for her. Everyone soon learns that life can truly be lived without being cruel and dishonest. There are moments of tears and laughter. Fate steps in, camaraderie soon develops, and choices are made that will affect the lives of many. Myrna Fay Flick is a freelance writer who is committed to writing stories that inspire goodness and transforms lives. As a mother, Myrna sought to find role models that could teach children about life's valuable lessons in an exciting heartfelt and memorable way. Just Imagine: A Story about Honesty and Integrity is the first in a series of books introducing characters that will touch people of all ages.

And with intricately detailed illustrations for parent and child to pore over together, this really is a book to share time and time again.

Encourage your children ’ s sense of wonder and faith with I Can Only Imagine, inspired by the hit song by MercyMe. This beautiful picture book will capture your family ’ s childlike faith and imagination. I Can Only Imagine asks questions a child might ask and invites families to wonder together: What is heaven like? What does God do? What would it be like to spend a day with Jesus? Children will see that although experiencing the glory of heaven may be far off, we can enjoy a friendship with Jesus every day - right here on earth. Whimsical, playful illustrations and thought-provoking questions make this a book that families will cherish. Fun and vibrant illustrations offer a vivid visual and will help your children see that God can be found everywhere, every day. I think about heaven as I look up at the sky And watch the fluffy clouds roll by. The more I imagine, the more I wish I knew. I wonder, would God like pancakes with extra syrup too? And if God and I spent the day together, what exactly would we do? The Christian worship song " I Can Only Imagine " touched countless lives with its glorious representation of being in the presence of God, and this beautifully illustrated picture book invites you and your children to imagine those same wonders. Share the joy of a personal relationship with the Lord with your family today through the creative, faith-filled book I Can Only Imagine.

But few know about the pain, redemption, and healing that inspired it. Now Bart Millard, award-winning recording artist and lead singer of MercyMe, shares how his dad ’ s transformation from abusive father to man of God sparked a divine moment in music history. Go behind the scenes of Bart ’ s life—and the movie based on it—to discover how God repaired a broken family, prepared Bart for ministry through music, and wrote the words on his heart that would change his life forever. I Can Only Imagine is a front-row seat to witnessing God ’ s presence throughout Bart ’ s life. Whether falling in love with his childhood sweetheart or mourning his father ’ s death, founding MercyMe or failing in the midst of its success, Bart continues to place his trust in God ’ s plans—plans that continue to surprise and surpass what Bart could have ever imagined.
