Three cakes in one, this is every cake-lovers dream! Composed of just eggs, sugar, flour, butter and milk, and with a super simple preparation method, at first glance these recipes look just like any other cake recipe. But the magic in these cakes is in the cooking. Baked at a low temperature, the cake mixture divides itself into three layers, each with a distinct texture and taste: a dense, moist cake base; a delicate cream filling; and a light and fluffy sponge to top it off. The result is a cake like you've never tasted before - an explosion of textures and flavours in a moreish cake you just can't have one bite of! With chapters covering the Basics; Tutti-Frutti; Special and Occasion Cakes; and Savoury, there are a host of flavours at your fingertips, from the simple vanilla cake of chocolate hazelnut, to more exotic flavour combinations of raspberry and Matcha green tea. Take the magic cake to a whole new level with the occasion cakes - try the Valentine mango passion cake or the intense chocolate Easter cake. More than just cakes, there are recipes for cupcakes, pies, cheesecakes and brownies - all with the special 'magic' touch. So what are you waiting for? Discover the magic for yourself!

A delightful volume devoted to the delicate, charming treats that are the soul of France's neighborhood patisseries. With Felder's expert guidance, any home cook can now re-create the sweet enchantments and small indulgences that are the hallmark of many a holiday in France. Christophe Felder, along with his longtime collaborator, Camille Lesecq, are back with a new volume that focuses upon the delightful small pastries that are one of the highlights of the art of French baking. Both children and adults adore these often bite-size indulgences. Included here are all the fundamental recipes--the classics and the traditional favorites--along with original, inventive creations. Recipes include amandines, babas, biscuits, bostocks, creams, croquantes, croustillons, financiers, flans, madeleines, Alsatian manderlis, Napoleans, petits fours, sablés, tartlets, and much more. The book opens with a section on twenty-seven base recipes from which all others can be made, including pâte brisée, pâte sucrée, sablé breton, dacquoise, pâte à choux, feuilletée rapide, and crème pâtissière. It is then divided into chapters of increasing complexity, with a final chapter on "funny" cakes--playfully decorated small cakes designed to delight children or for

parties. Each recipe comes with precise preparation and cooking times, step-by-step decorating tips, and suggestions for vegan and gluten-free alternatives--this seemingly petite package contains a wide range of sweet and simple pleasures to delight big and small gourmets alike.
