Cage, his family, and the enemies bent on destroying them in this revelatory volume in the epic trilogy set in modern-day Natchez, Mississippi—Greg Iles’s epic tale of love and honor, hatred and revenge that explores how the sins of the past continue to haunt the present. Shattered by grief and dreaming of vengeance, Penn Cage sees his family and his world collapsing around him. The woman he loves is gone, his principles have been irrevocably compromised, and his father, once a paragon of the community that Penn leads as mayor, is about to be tried for the murder of a former lover. Most terrifying of all, Dr. Cage seems bent on self-destruction. Despite Penn’s experience as a prosecutor in major murder trials, his father has frozen him out of the trial preparations—preferring to risk dying in prison to revealing the truth of the crime to his son. During forty years practicing medicine, Tom Cage made himself the most respected and beloved physician in Natchez, Mississippi. But this revered Southern figure has secrets known only to himself and a handful of others. Among them, Tom has a second son, the product of an 1960s affair with his devoted African American nurse, Viola Turner. It is Viola who has been murdered, and her bitter son—Penn’s half-brother—who sets in motion the murder case against his father. The resulting investigation exhumes dangerous ghosts from Mississippi’s violent past. In some way that Penn cannot fathom, Viola Turner was a nexus point between his father and the Double Eagles, a savage splinter cell of the KKK. More troubling still, the long-buried secrets shared by Dr. Cage and the former Klansmen may hold the key to the most devastating assassinations of the 1960s. The surviving Double Eagles will stop at nothing to keep their past crimes buried, and with the help of some of the most influential men in the state, they seek to ensure that Dr. Cage either takes the fall for them, or takes his secrets to an early grave. Unable to trust anyone around him—not even his own mother—Penn joins forces with Serenity Butler, a famous young black author who has come to Natchez to write about his father’s case. Together, Penn and Serenity battle to crack the Double Eagles and discover the secret history of the Cage family and the South itself, a desperate move that risks the only thing they have left to gamble: their lives. Mississippi Blood is the enthralling conclusion to a breathtaking trilogy seven years in the making—one that has kept readers on the edge of their seats. With piercing insight, narrative prowess, and a masterful ability to blend history and imagination, Greg Iles illuminates the brutal history of the American South in a highly atmospheric and suspenseful novel that delivers the shocking resolution his fans have eagerly awaited.

From #1 New York Times bestselling author Greg Iles comes the first novel in his Natchez Burning trilogy—which also includes The Bone Tree and the upcoming Mississippi Blood—an epic trilogy that interweaves crimes, lies, and secrets past and present in a mesmerizing thriller featuring Southern lawyer and former prosecutor Penn Cage. Raised in the southern splendor of Natchez, Mississippi, Penn Cage learned all he knows of duty from his father, Dr. Tom Cage. But now the beloved family doctor has been accused of murdering the African American nurse with whom he worked in the dark days of the 1960s. Once a crusading prosecutor, Penn is determined to save his father, but Tom, stubbornly invoking doctor-patient privilege, refuses even to speak in his own defense. Penn’s quest for the truth sends him deep into his father’s past, where a sexually charged secret lies. More chilling, this long-buried sin is only one thread in a conspiracy of greed and murder involving the vicious Double Eagles, an offshoot of the KKK controlled by some of the most powerful men in the state. Aided by a dedicated reporter privy to Natchez’s oldest secrets and by his fiancée, Caitlin Masters, Penn uncovers a trail of corruption and brutality that places his family squarely in the Double Eagles’ crosshairs. With every step costing blood and faith, Penn is forced to confront the most wrenching dilemma of his life: Does a man of honor choose his father or the truth?

Widower Penn Cage returns to his hometown of Natchez, Mississippi, where, finding that his father is being blackmailed, he reopens a notorious murder case that involves powerfully dangerous town forces, the FBI, and his own past. Reissue.

The electrifying second installment of the NATCHEZ BURNING trilogy by No.1 New York Times bestseller, Greg Iles

A deep river pit in Natchez, Mississippi, reputed to be the hiding spot for Jean Lafitte's hidden treasure and a dumping ground for numerous murder victims, becomes the site of a dangerous showdown for Penn Cage, in a tale beset by racial tension, betrayals and illicit sex. By the author of Third Degree. Reprint.

The #1 New York Times bestselling author of Mississippi Blood, Greg Iles, keeps the secrets of the South alive in this vibrant novel of infatuation, murder, and sexual intrigue set in his hometown of Natchez, Mississippi. Turning Angel marks the long-awaited return of Penn Cage, the lawyer hero of The Quiet Game, and introduces Drew Elliott, the highly respected doctor who saved Penn’s life in a hiking accident when they were boys. As two of the most prominent citizens of Natchez, Drew and Penn sit on the school board of their alma mater, St. Stephen’s Prep. When the nude body of a young female student is found near the Mississippi River, the entire community is shocked—but no one more than Penn, who discovers that his best friend was entangled in a passionate relationship with the girl and may be accused of her murder. On the surface, Kate Townsend seems the most unlikely murder victim imaginable. A star student and athlete, she’d been accepted to Harvard and carried the hope and pride of the town on her shoulders. But like her school and her town, Kate also had a secret life—one about which her adult lover knew little. When Drew begs Penn to defend him, Penn allows his sense of obligation to override his instinct and agrees. Yet before he can begin, both men are drawn into a dangerous web of blackmail and violence. Drew reacts like anything but an innocent man, and Penn finds himself doubting his friend’s motives and searching for a path out of harm’s way. More dangerous yet is Shad Johnson, the black district attorney whose dream is to send a rich white man to death row in Mississippi. At Shad’s order, Drew is jailed, the police cease hunting Kate’s killer, and Penn realizes that only by finding Kate’s murderer himself can he save his friend’s life. With his daughter’s babysitter as his guide, Penn penetrates the secret world of St. Stephen’s, a place that parents never see, where reality veers so radically from appearance that Penn risks losing his own moral compass. St. Stephen’s is a dark mirror of the adult world, one populated by steroid-crazed jocks, girls desperate for attention, jaded teens flirting with nihilism, and hidden among them all—one true psychopath. It is Penn’s journey into the heart of his alma mater that gives Turning Angel its hypnotic power, for on that journey he finds that the intersection of the adult and nearly adult worlds is a dangerous place indeed. By the time Penn arrives at the shattering truth behind Kate Townsend’s death, his quiet Southern town will never be the same.

The hugely anticipated new Penn Cage novel from the #1 New York Times bestselling author of the Natchez Burning trilogy and Cemetery Road, about a man—and a town—rocked by anarchy and tragedy, but unbowed in the fight to save those they love. Fifteen years after the events of the Natchez Burning trilogy, Penn Cage is alone. Nearly all his loved ones are dead, and his old allies gone. Pursued by enemies and demoralized by a divided community, he’s found sanctuary on a former cotton plantation above the Mississippi River. But Penn’s self-imposed exile comes to an abrupt end when a brawl at a Bienville rap concert triggers a shooting—one that nearly takes the life of his daughter Annie. Before the stunned city can process the tragedy, an arsonist starts torching antebellum plantation homes in Natchez and Bienville. When an unknown Black radical group claims the deadly fires as acts of historic justice, citywide panic ensues, driving a prosperous Southern town to the brink of race war. Drafted by Bienville’s mayor to end the crisis and restore peace, Penn investigates the fires as casualties mount and armed marchers move toward a decisive clash. But Penn suspects that the arson attacks may not be what they seem—not retribution by radicals, but false-flag strikes designed to trigger the very chaos he sees roiling the streets. For that mayhem provides state and county leaders the excuse to dissolve the Black-run Bienville city government and seize control. It’s up to Penn and a band of locals to uncover the truth and expose those trying to destabilize the city. In Southern Man, Greg Iles returns to the riveting style and historic depth that made the Natchez Burning trilogy a searing masterpiece and huris the narrative fifteen years forward into our current moment—where America teeters on the fence between anarchy and salvation.

From the #1 New York Times bestselling author of the Natchez Burning trilogy—Natchez Burning, The Bone Tree, and the upcoming Mississippi Blood—comes this e-original novella featuring former prosecutor Penn Cage, a story of family secrets and justice denied, plus an excerpt from Natchez Burning. Death is the end, and if a man doesn't speak before it silences him, then his deepest secrets go with him. When a heart attack sends Penn's father, Tom Cage, to the ER, Tom begs that his son be brought to his side to hear a dying declaration. But when Penn arrives, Tom denies ever making the request—keeping his secrets for another day. The emergency huris Penn back to a chilling case in Houston, where he worked in a DA's office known as the "death factory," which sent more killers to death row than any other in America. While Penn cares for his ailing wife, a tormented forensic technician brings him evidence of a crime lab in chaos, throwing past convictions into doubt and begging Penn to prevent an imminent travesty of justice. With the desperation of a man fighting death in his own home, Penn must find a way to bring the machinery of the death factory to a halt.
