**For this digital book edition, media content is not included. Prepare for exam success with Mosby's Review Questions for the NCLEX-RN® Examination! Over 5,000 exam-style practice questions help you assess your strengths and weaknesses, develop test-taking skills, and reduce your test anxiety.**

**Offering the most realistic NBDHE review and practice available, Mosby's Review Questions for the National Board Dental Hygiene Examination includes both a print book and companion website to prepare you for exam success. In the book, you ' ll review with more than 1,250 Component A practice questions — with each answer including a rationale for both correct and incorrect answer options. Online, you can review the same questions plus an additional 420 case-based items related to Component B in 1) practice mode or 2) timed, exam-simulation mode with randomized tests that match the number and distribution of questions on the NBDHE. From a team of dental hygiene experts including lead editor Barbara Bennett, this Q&A resource is an excellent supplement to any NBDHE content review book! More than 1,680 multiple-choice questions provide comprehensive practice spanning the entire NBDHE, with 1,250+ items relating to Component A — more than six times the number of questions on the actual exam! — and 420 case-based questions related to Component B. Rationales accompany each question, fully explaining why each answer choice is either correct or incorrect and thus serving as secondary content review. Distribution of questions matches each category on the NBDHE test specifications, ensuring that you have adequate practice for each content area. An Evolve companion website includes all 1,250+ questions from the book plus additional case studies with color images and accompanying questions, available either in practice mode with instant feedback or in exam-simulation format with results and feedback provided at the end of the exam. A test creator and timer on Evolve generates NBDHE-style tests that mimic the number and distribution of questions on the NBDHE and also provides realistic practice with time management during the exam. 16 detailed case studies on Evolve, each of which includes a patient medical/dental history, completed periodontal chart, oral radiographs, clinical photographs, and 20-35 multiple-choice questions for patients in the five main categories covered on the NBDHE (adult periodontitis, pediatric, geriatric, special needs, and medically compromised). References to text sources make it easy to review or find more information on specific topics.**

**This valuable review tool features 1,000 multiple-choice questions with explanatory answers, organized by topic, according to Parts I and II of the NBCE boards. No other product on the market is as comprehensive and useful. It provides a Q&A review with rationale and quick reference tools to help users prepare for the boards. Updated references in each section direct students to supplemental reading for further information. Tables, boxes, and other quick-reference tools summarize content at a glance. This title includes additional digital media when purchased in print format. For this digital book edition, media content is not included. Approximately 1,000 multiple-choice questions with explanatory answers are organized and formatted according to the national boards. Updated references in each section refer readers to supplemental resources, making it easier to investigate specific topics. Illustrations visually reinforce difficult topics and aid understanding. Tables, boxes, and other quick reference tools summarize the content at a glance.**

**This title includes additional digital media when purchased in print format. For this digital book edition, media content is not included. Prepare for exam success with Mosby's Review Questions for the NCLEX-RN® Examination! Over 5,000 exam-style practice questions help you assess your strengths and weaknesses, develop test-taking skills, and reduce your test anxiety. Written by testing experts Patricia M. Nugent, Phyllis K. Pelikan, Judith S. Green, and Barbara A. Vitale, this book makes review easy by organizing material into the core clinical areas of medical-surgical nursing, mental health, maternity, and pediatrics. Rationales are provided for both correct and incorrect answers, and alternate item format questions ensure that you're prepared for the latest version of the exam. Convenient organization by core clinical area, body system, and disorders makes it easy for students to select the practice questions they prefer. More than 3,000 questions in the book Rationales for both correct and incorrect answers explain the reasoning behind each answer option. Alternate item format questions include fill-in-the-blank, multiple response, drag and drop prioritizing, chart/exhibit, and hot spot (figure/illustration) enhance students' critical thinking skills. Three practice modes -- study, quiz, and exam Coverage of new content on the 2010 NCLEX-RN test plan prepares your students for the exam with the most up-to-date information. An increase to over 300 alternate item format questions provides additional practice with these important critical thinking questions. 12 chart/exhibit alternate item format questions introduce students to the newest alternate item format type. Coverage of new content on the 2010 NCLEX-RN test plan prepares you for the exam with the most up-to-date information. An increase to over 300 alternate item format questions provides additional practice with these important critical thinking questions. 12 chart/exhibit alternate item format questions introduce the newest alternate item format type.**

**A classic resource that has helped nurses pass the NCLEX exam for over 80 years, Mosby's Comprehensive Review of Nursing for the NCLEX-RN® Examination, 20th Edition is fully updated to reflect the newest NCLEX-RN test plan. Content review is presented in a concise and full-color outline format organized by the core areas of medical-surgical, pediatric, maternity/women's health, and mental health nursing, with a practice test following each unit. More than 4,200 practice questions and rationales -- including more than 600 questions in the newest alternate item formats -- are written by a team of trusted NCLEX experts led by author Patricia M. Nugent. This title includes additional digital media when purchased in print format. For this digital book edition, media content may not be included.**

**With approximately 1,400 practice questions -- more than any other exam review -- this book provides the most complete, reliable preparation available for the PRAXIS II subject assessment examination. Review questions can be selected to match the style and question distribution of the real exam to familiarize you with the examination experience and help you build test-taking confidence. This title includes additional digital media when purchased in print format. For this digital book edition, media content is not included.**

**Are you sure you ' re ready for the NBDE? You will be with this ultimate review resource! Providing the most up-to-date information on each of the basic sciences addressed in Part I of the National Board Dental Examination (NBDE) — including Anatomic Sciences; Biochemistry and Physiology; Microbiology and Pathology; and Dental Anatomy and Occlusion — this complete exam review features an easy-to-use outline format that mirrors the topic progression of the NBDE. Plus, it ' s loaded with informative examples and illustrations, endless practice questions reflecting the latest question types, and customizable testing modes to ensure you are fully prepared to tackle every aspect of Part I of the NBDE! Easy-to-use outline format organizes essential data and key points in a clean, streamlined fashion. Exam-based progression of topics presents sections and topics in the same order as they appear on the actual exam. Practice exams with approximately 450 questions appear at the end of the book along with the correct answers and rationales. Approximately 200 diagrams and photographs provide visual evidence to support key topics, including anatomic structures, physiology, and microbiology. Tables and text boxes provide supplementary information and emphasize important data from the text. NEW! Online resources on the companion Evolve website include: Database of exam questions Timed practice exams Custom test generator to mimic the NBDE I Sample cases Answers and rationales Downloadable apps NEW! Practice and testing modes for NBDE I review allow you to test yourself via category or in a testing format that allows you to create an unlimited number of unique practice tests with instant feedback. UPDATED! New test items types in practice exams include multiple correct answer, extended matching, and answer ordering question types that are found on the latest NBDE exam from the Joint Commission on National Dental Examinations (JCNDE).**

**Covering everything you need to study for and pass the Pharmacy Technician Certification Board (PTCB) and ExCPT exams, Mosby's Review for the Pharmacy Technician Certification Examination, 3rd Edition makes exam preparation easy. Review the content you'll see on the exam with handy outlines, test-taking tips and strategies, and electronic flash cards. Written by noted pharmacy technician educator James J. Mizner, this complete review tests your knowledge and simulates the actual PTCB exam with 17 different, 100-question practice exams in the book and online. This edition is modeled after the updated Pharmacy Technician Certification Exam Blueprint. A total of 1,700 review questions are included in 17 practice exams in the book and online. 100-question format of each practice exam simulates the PTCB and ExCPT exams, with multiple-choice questions and the same balance of content, for a realistic test taking experience. 700 electronic flash cards help you learn and remember facts by covering the top 200 most prescribed pharmaceuticals, top 50 herbals, abbreviations, and sound-alike drugs. Review content reflects the new percentages covered on the PTCB exam. A convenient outline format helps you to quickly review important information you'll see on the exam. Tips and suggestions prepare you for test-taking success by providing an insider ' s perspective on what to expect and how to prepare for your exam when you have limited time. Seven practice exams in the book feature the same format and content emphasis as the national exam. Ten practice exams on the Evolve companion website in both timed and untimed modes help you identify any areas of weakness, and include instant feedback and remediation. UPDATED content includes current drug information and pharmacy practice procedures based on the new Pharmacy Technician Certification Exam Blueprint. NEW! Chapter objectives provide a clear breakdown of content and goals for review.**

**Rev. ed. of: Registry review in computed tomography. c1996.**

**Questions focus on the Occupational Therapy Practice Framework (OTPF) as well as the results from the practice analysis completed by NBCOT. Questions cross the spectrum of occupational therapy process - evaluation, intervention planning, intervention, service management, and outcomes of a variety of populations including pediatric, mental health, and adult physical and neurological conditions. Practice environments such as the community, school-based and hospital based care are covered throughout. Specific references for every question and a comprehensive list of resources are provided at the end of the book for further study. Rationales for answer options are provided to explain why the correct answer is right and the other choices are wrong. Provides information on the format of the NBCOT exam and tips for studying and answering test questions.**

**With more review cards than any other product on the market, you'll have the perfect tool for study groups or on-the-go review, and with a new chapter focusing on pharmacology, you'll be more prepared than ever before. This edition features over 1,200 questions with alternate item-format and integrated content questions organized by clinical area and body system. These cards contain several practice questions on the front, with answers, rationales for correct and incorrect options, cognitive levels, nursing process steps, and NCLEX test plan categories on the back. You'll also receive an overview of the latest NCLEX-RN test plan, and valuable test-taking tips. UNIQUE! Provides more practice questions than any other card set with over 1,200 review questions on portable cards. An introductory section on test taking offers helpful strategies for improving your test-taking skills and managing test anxiety. Questions are logically organized by body system within each clinical area section. Plenty of alternate item-format questions, including multiple response, fill-in-the-blank, and illustrated questions, offer valuable preparation for the newer question formats appearing on the NCLEX-RN examination. Each question is classified by cognitive level, nursing process step, and NCLEX test plan client needs area to help you identify areas where more review may be required. A section on integrated concepts includes questions on leadership, management of patient care, cultural competence, and community-based practice, addressing the integrated concepts covered in the NCLEX-RN examination. UNIQUE! A separate section on pharmacology reflects the increased focus on this subject in the NCLEX examination and enables you to concentrate on the most frequently tested content. Rationales for incorrect options are now included to help you understand the faulty thought processes that lead to selecting the wrong answers. Double the number of alternate item questions and the new chart exhibit format ensure you have ample practice with the newest question formats.**
