Do you find yourself hoping that a sister will succeed in seducing her sibling's husband, that a thief will get away with his crime, that a serial killer will escape judgment? Do you, too, laugh at the bumbling priest and seethe at the intolerant and abusive evangelist? Do you embrace worldviews that infect your faith and then wonder, after your head is clear, whether your faith can survive the infection? In this thoroughly revised and updated edition of his

Hollywood Worldviews helps you enter a dialogue with Hollywood that leads to a happier ending, one that keeps you aware of your culture and awake to your faith.

The story of Christ like you've never heard it before. Told through the eyes of the two thieves on the cross and the spiritual warfare hidden from mortal men. It starts with the

temptation in the desert by Satan and ends with Christ's descent into Hades, his resurrection and ascension. In between, we see Jesus' ministry in the context of the Biblical motif of Christ taking back the inheritance of the nations from the rebellious Sons of God. The demons that rose up in that day were not random but were the spirits of the dead Nephilim, and part of a comprehensive battle strategy between Christ and the Powers. When it comes to spiritual warfare, Jesus was no pacifist. Now, everything comes to a climax in the arrival of Jesus Triumphant. This book explains why they
