Nothing but the Truth is a 2008 American drama film written and directed by Rod Lurie. According to comments made by Lurie in The Truth Hurts, a bonus feature on the DVD release, his inspiration for the screenplay was the case of journalist Judith Miller, who in July 2005 was jailed for contempt of court for refusing to testify before a federal give grand jury investigating a leak naming Valerie Plame as a covert CIA operative, but this was merely a starting point for what is primarily a fiction

Ninth-grader Philip Malloy's suspension for humming "The Star-Spangled Banner" during homeroom becomes a national news story.

Lubet's Nothing But The Truth presents a novel and engaging analysis of the role of storytelling in trial advocacy. The best lawyers are storytellers, he explains, who take the raw and disjointed observations of witnesses and transform them into coherent and persuasive narratives. Critics of the adversary system, of course, have little patience for storytelling, regarding trial lawyers as filmmam artists who use sly means and cunning rhetoric to befuddle witnesses and bamboozle juries. Why not simply allow the witnesses to speak their minds, without the distorting influence of lawyers' stratagems and leints? But Lubet demonstrates that the craft of lawyer storytelling is a legitimate technique for determining the truth andnot at all coincidentalfor providing the best defense for the attorney's client. Storytelling accomplishes three important purposes at trial. It helps to establish a "theory of the case," which is a plausible and reasonable explanation of the underlying events, presented in the light most favorable to the attorney's client. Storytelling also develops the "trial theme," which is the lawyer's way of adding moral force to the desired outcome. Most importantly, storytelling provides a coherent "story frame," which organizes all of the events, transactions, and other surrounding facts into an easily understandable narrative context. As with all powerful tools, storytelling may be misused to ill purposes. Therefore, as Lubet explains, lawyers do not have carte blanche to tell whatever stories they choose. It is a creative process to be sure, but every story must ultimately be based on "nothing but the truth." There is no room for lying. On the other hand, it is obvious that trial lawyers never tell "the whole truth," since life and experience are boundless and therefore not fully describable. No lawyer or court of law can ever get at the whole truth, but the attorney who effectively employs the techniques of storytelling will do the best job of sorting out competing claims and facts, thereby helping the court arrive at a decision that serves the goals of accuracy and justice. To illustrate the various challenges, benefits, and complexities of storytelling, Lubet elaborates the stories of six different trials. Some of the cases are real, including John Brown and Wyatt Earp, while some are fictional, including Atticus Finch and Liberty Valance. In each chapter, the emphasis is on the narrative itself, emphasizing the trial's rich context of facts and personalities. The overall conclusion, as Lubet puts it, is that "purposive storytelling provides a necessary dimension to our adversary system of justice."

As chief legal council for Project Justice, widow Raleigh Shinn doesn't seem the type to accept bribes. Still, Griffin Benedict has an anonymous tip that points to her guilt. And if he wants to make the move to national news anchor, he needs a sensational story. But nothing is as it seems. Including the do-good lawyer. Underneath shapeless suits and oversize glasses hides an exceptional beauty. Now Griffin not only seeks an exclusive, he wants to uncover Raleigh's secrets for himself. When lies turn to attempted murder, they must hunt down the truth togetherto prove her innocence, protect an honest man and save both their lives.

The truth, like love, can be elusive, unless you're willing to fight for it. Sparks fly when two top notch attorneys battle each other in the high risk arena of the courtroom, but when a strange turn of events thrusts one of them from the role of advocate to witness, prosecutor Ryan Foster and defense attorney Brett Logan join forces in their search for the truth. Working together they quickly learn their attraction to each other is as strong as their commitment to justice, but courthouse romance is not without complications. Throw in a murder case with bizarre twists and turns, and even the strongest attraction will be put to the test.

Half Asian and half white, Patty Ho has never felt completely home in her skin. When a Chinese fortuneteller foresees a white guy on Patty's horizon, things go from bad to worse in this novel by acclaimed author Justina Chen.

"Trell is an appealingly gutsy heroine whose belief in her father is strong enough to drag an attorney and a down-on-his-luck journalist into her orbit." -- School Library Journal On a hot summer night in Boston in the late 1980s, a twelve-year-old African-American girl was sitting on a mailbox talking with her friends when she became the innocent victim of gang-related gunfire. An immediate manhunt was on to catch the murderer, and a young African-American man was quickly apprehended, charged, and -- wrongly -- convicted of the crime. Dick Lehr, a former reporter for the Boston Globe's famous Spotlight Team who investigated this case for the newspaper, now turns the story into a page-turning novel about the daughter of an imprisoned man who persuades a reporter and a lawyer to help her prove her father's innocence.

On a wager Bob Bennett undertakes to tell the truth and nothing but the truth for three weeks. He is invited to a houseparty during that period, and because the girl he loves will be there he hasn't the strength to refuse. Many of the resulting complications are amusing.

From the acclaimed New York Times bestselling author of Guilt and The 13th Juror comes an electrifying new thriller--a novel in which San Francisco defense attorney Dismas Hardy faces the case of his career. This time his family is involved--and for Hardy, a devoted husband and father, the stakes have never been higher. Dismas knows his wife, Frannie, is the most reliable of mothers. When she fails to pick up their children from school one afternoon, he's convinced something terrible has happened. It has: Frannie Hardy is in jail. Called before the grand jury in a murder investigation, she refused to reveal a secret entrusted to her by a man whose children attend the same school as hers, a friend who is accused of killing his wife. But now he has disappeared. Hardy knows there's only one way to get Frannie out of jail: clear her friend of murder. That is, if he can be found. As he moves through a labyrinthine world of big business and San Francisco politics, looking for a man he half-hopes never to find, a furious and frustrated Hardy is struggling to understand why his impeccably faithful wife is being so loyal to another man. What kind of truth could keep a wife from her husband, a mother from her children--could hold Hardy so powerless before the wrath of the law? With an unparalleled ability to illuminate the complexities of relationships while weaving a story of breathtaking suspense, Lesscroft has never been in finer form. And Nothing But the Truth is his finest hour.

The Truth And Nothing But The Truth contains material that today's young generation can identify with. It deals with the love of GOD, struggle, being confident, poverty, love and relationships, depression, and happiness. It's life defined in a Poetic form. It shows how many different emotions one man can show through the art of Poetry. It's a picture painted through words of a young man that has experienced life's lows and highs.
