The Words of Oneness through Rasha  
Rasha does a great job of explaining Oneness as I have come to know it, and reminding the reader of the power they hold in manifesting and creating reality. At times I found myself reading this as if it was a trusted mentor narrating to me what I just went through. I highlighted passages ferociously as it's just such an important read. flag Like · see review, Jan 26, 2020 Buddha Bibliophile ...

The Divinity we all share steps forth to spell out how we've created our nightmares, and how to shift those patterns. This glimpse into the Divine Vision gives the formula for thriving in the uncharted world at whose very edge humanity now stands.

"AN EXTRAORDINARY VOYAGE THROUGH THE LABYRINTHS OF CONSCIOUSNESS! In A Journey to Oneness—the long-awaited sequel to the spiritual classic, Oneness—Rasha takes us on a fascinating seven year odyssey, as she shares the incredible story of her own spiritual journey. With the profound wisdom of Oneness (the Divine Presence many refer to as "God") to light the way, this vivid literary tapestry gives us a candid glimpse into the depths of the awakening process and takes us for an authentic ride on the roller coaster of spiritual transformation. The loving words of Oneness, woven throughout, convey a deep sense of the sacred. And the simple act of reading becomes a life changing Divine encounter that each reader shares on an intimate, personal level. Rich with Divine insight, A Journey to Oneness gives us a vibrant new vision of the nature of humanness and an in-depth guide to discovering the Divinity within. Here, in one woman's unforgettable spiritual adventure, is the key to the actual experience of Oneness—the God within us all

Do you suffer from nightmares? Are you a therapist or a healer? Your physical immunity is not the only thing that needs an occasional boost/ sometimes your psychic immunities need extra protection from invading energies, too. The simple and effectivepsychic protection tools explained in this book include visualizations, flower remedies, gems and talismans, as well as practical advice for avoiding psychic compromises.

A comparative analysis of the human body, celestial body and their interconnectedness. "As above so below." Examines the various organs in our brain to religious characters.

Poetic transcription of the words on the CD of the same title. Color photographs.

This book will carry you away to a world of exquisite, enchanting scents. Various fragrances affect our moods, may stimulate and excite us, bring us calmness and harmony, bewitch and inspire or even heal. Since ancient times essential oils and incense have been employed in healing, for seduction and for religious rituals. This book particularly addresses their subtle influences, but also presents and describes the plants from which they are obtained.

What have you been missing? In Oneness, author John Greven invites readers to see the world as it really is, right now, without the mind's own reflections obscuring its multifaceted mystery. Oneness takes the reader, step by step, to the inescapable reality that is the self. The intent of this book is to look afresh at one's daily experience, to point to something that the mind may have overlooked. It is not pointing to anything new, anything that you can achieve, or anything you can add to yourself. It is not pointing to the good deeds you have done in your life to emphasize what a wonderful person you must be. It is pointing to something so simple, something so obvious, that when it is pointed out and seen, you wonder how it was ever missed. How could the mind have taken something so obvious for granted? How did the mind so easily toss out the valuable jewel in favor of its reflections? You may have been searching for self realization, enlightenment, the Buddha Mind, God, or some other goal implying the same thing. You may have been searching for many years, or you may just be getting started on a search; Whether you've been traveling a path for a while or you're just taking the first step makes no difference. This book invites you to take a look at the space that has been overlooked, to see what is obvious, and to bring that search to an end—right now.

Here is the revealing underground classic, a work that stands beside the "Seth" books as a delightful and invaluable guide to our inner spirit and our outer world. Emmanuel speaks to us through Pat Rodegast and shares his wisdom and insights on all aspects of life. Beautifully written and illustrated, Emmanuel's Book I is to be treasured, enjoyed and passed on to a friend. Emmanuel says, "The gifts I wish to give you are my deepest love, the safety of truth, the wisdom of the universe and the reality of God. .... The issue of whether there is a Greater Reality or not, for me at least, has been settled. I know that there is. So I will speak to you from the knowing that I possess." Ram Dass, in the introduction, says, "Being with Emmanuel one comes to appreciate the vast evolutionary context in which our lives are being lived . . . . And at each moment we are at just the right place in the journey. As Emmanuel points out, 'Who you are is a necessary step to being who you will be.'"

The acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation," All About Love is a revelation about what causes a polarized society and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in All About Love. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness—not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.
