From the author of *Only His* - Lady Jessica Charteris has tricked her way out of marriage and into the arms of Wolfe Lonetree, the bastard son of a viscount and a Cheyenne shaman's daughter. There's just one catch: Jessica must accompany her new husband to America. Wholly unprepared for the hardships that await her in America, Jessica is more terrified still of Wolfe himself, whose raw sensuality leaves her breathless...

Return to Fool 's Gold, California where finding true love is no game in this fan-favorite story from New York Times bestselling author Susan Mallery! Her town 's lack of men may make headlines, but it isn 't news to Dakota Hendrix. The beautiful blonde has bigger problems to deal with, such as overseeing the romance reality competition filming in Fool 's Gold. Screening eligible bachelors is a difficult enough task, but Dakota hits an unexpected snag when a sexy stranger comes to town. Finn Anderssen will do anything to keep his twin brothers—the perfect contestants—off the show. Despite Dakota 's better judgment, she finds herself drawn to the mysterious outsider. Like her, Finn knows about heartbreak and how a family can fall apart, so she doesn 't dare to hope for anything more than a fling. After all, even in the Land of Happy Endings, finding true love is never as easy as it looks on TV. Previously published. The bastard son of a viscount and a Cheyenne shaman's daughter, Wolfe Lonetree agrees to rescue the pampered Lady Jessica from an unwanted impending wedding—but only if she will be his wife. Naïve and shockingly innocent, Lady Jessica Charteris tricked a rugged, handsome stranger into a marriage in name only in order to escape a union with a vile British lord. Totally unprepared for the hardships awaiting her in America, she is terrified by the prospect of life in the harsh and magnificent land at the edge of the Rockies. But even more frightening is Wolfe himself—a man whose raw sensuality leaves her breathless. Her proud, virile new "husband" is not one to be trifled with, nor will he be denied what his heart fervently desires—for only in Wolfe Lonetree's arms can Jessica truly learn the unparalleled joy of becoming the right man's woman.

Imagine on your wedding day – the happiest day of your life – someone hands you an anonymous note that says the person you're about to marry has cheated on you with your best friend. What would be your first reaction? Drake Beckford, an up and coming young minister of El Shaddai Ministries, finds himself in a similar situation when he goes off to Bible School in Columbus, Ohio, entrusting his bride to be, Sasha McKay into the hands of his best friend, Levi Johnson. Sasha has been Drake's first and only love since they were twelve years old and from that time to the present Drake has always believed her to be a woman of honor and integrity and she has never given him reason to doubt her love or her loyalty. However, unbeknownst to Drake, while he is away Levi has developed strong feelings for Sasha and it seems as if she, too, is fond of Levi. What will become of their budding attraction when Drake returns to make Sasha his wife? With that upsetting note wedged between his fingers, as he watches Sasha walk up

An Adam Grant Spring Book Pick Finalist for the Next Big Idea Club "A must-read this spring -- a fantastically well-written exploration of our need for ownership and the costs of greed." --Andrew Solomon, National Book Award-winning author of Far From the Tree A hidden set of rules governs who owns what--explaining everything from whether you can recline your airplane seat to why HBO lets you borrow a password illegally--and in this lively and entertaining guide, two acclaimed law professors reveal how things become "mine." "Mine" is one of the first words babies learn. By the time we grow up, the idea of ownership seems natural, whether buying a cup of coffee or a house. But who controls the space behind your airplane seat: you reclining or the squished laptop user behind? Why is plagiarism wrong, but it's okay to knock-off a recipe or a dress design? And after a snowstorm, why does a chair in the street hold your parking space in Chicago, but in New York you lose the space and the chair? Mine! explains these puzzles and many more. Surprisingly, there are just six simple stories that everyone uses to claim everything. Owners choose the story that steers us to do what they want. But we can always pick a different story. This is true not just for airplane seats, but also for battles over digital privacy, climate change, and wealth inequality. As Michael Heller and James Salzman show--in the spirited style of Freakonomics, Nudge, and Predictably Irrational--ownership is always up for grabs. With stories that are eye-opening, mind-bending, and sometimes infuriating, Mine! reveals the rules of ownership that secretly control our lives.

One doctor's courageous fight to save a small town from a silent epidemic that threatened the community's future--and exposed a national health crisis. When Dr. Will Cooke, an idealistic young physician just out of medical training, set up practice in the small rural community of Austin, Indiana, he had no idea that much of the town was being torn apart by poverty, addiction, and life-threatening illnesses. But he soon found himself at the crossroads of two unprecedented health-care disasters: a national opioid epidemic and the worst drug-fueled HIV outbreak ever seen in rural America. Confronted with Austin's hidden secrets, Dr. Cooke decided he had to do something about them. In taking up the fight for Austin's people, however, he would have to battle some unanticipated foes: prejudice, political resistance, an entrenched bureaucracy--and the dark despair that threatened to overwhelm his own soul.: Canary in the Coal Mine is a gripping account of the transformation of a man and his adopted community, a compelling and ultimately hopeful read in the vein of Hillbilly Elegy, Dreamland, and Educated.

Welcome back to Fool ' s Gold, California where man ' s best friend might just be man ' s best matchmaker in this irresistible book from New York Times bestselling author Susan Mallery! Previously published. Montana Hendrix has found her calling—working with therapy dogs. With a career she loves in a hometown she adores, she ' s finally ready to look for her own happily ever after. Could one of her dogs help her find Mr. Right...or maybe Dr. Right? Surgeon Simon Bradley prefers the sterility of the hospital to the messiness of real life, especially when real life includes an accident-prone mutt and a woman whose kisses make him want what he knows he can ' t have. Scarred since childhood, he avoids emotional entanglement by moving from place to place to heal children who need his skillful touch. Can his growing feelings for Montana lead him to find a home in Fool ' s Gold, or will he walk away, taking

They ' ve shared stolen kisses and romantic promises. But Iran is a dangerous place for two girls in love--Sahar and Nasrin could be beaten, imprisoned, even executed. So they carry on in secret until Nasrin ' s parents suddenly announce that they ' ve arranged for her marriage. Then Sahar discovers what seems like the perfect solution: homosexuality may be a crime, but to be a man trapped in a woman ' s body is seen as nature ' s mistake, and sex reassignment is legal and accessible. Sahar will never be able to love Nasrin in the body she wants to be loved in without risking their lives, but is saving their love worth sacrificing her true self?

A mesmerizing tale of betrayal, survival, spirit, and endurance, this engrossing novel presents a nuanced look at the power of love, integrity, and self-knowledge.
