Acclaim for "Structuring Your Novel" "I have long wished for a book like this. "Structuring Your Novel" is so much more than a writing craft book-it's a recipe to help writers structure a deep, meaningful journey for their hero that will captivate readers from beginning to end."-Angela Ackerman, Author of "The Emotion Thesaurus" "There is absolute gold in this book-and I am grateful that the author has a real talent for distilling some of the somewhat clunky information found elsewhere, into really simple-to-understand and easy-to-follow techniques."-Robert Scanlon "This book shows a writer how to structure their novel from beginning to end in a no-nonsense manner. It's fast and easy reading, and MAKES SENSE "-Carrie C. Spencer About the Book Is Structure the Hidden Foundation of All Successful Stories? Why do some stories work and others don't? The answer is "structure." In this IPPY and NIEA-Award winning guide from the author of the bestselling "Outlining Your Novel," you will learn the universal underpinnings that guarantee powerful plot and character arcs. An understanding of proper story and scene structure will show you how to perfectly time your story's major events and will provide you with an unerring standard against which to evaluate your novel's pacing and progression. "Structuring Your Novel" will show you: How to determine the best techniques for empowering your unique and personal vision for your story. How to identify common structural weaknesses and flip them around into stunning strengths. How to eliminate saggy middles by discovering your "centerpiece." Why you should NEVER include conflict in every scene. How to discover the questions you "don't" want readers asking about your plot-and then how to get them to ask the right questions. Story structure has enabled countless bestselling and classic authors. Now it's your turn More Praise for "Structuring Your Novel" "K.M. Weiland delivers another exceptional resource for writers-offering practical guidance on everything from crafting a book's hook to its resolution."-Elizabeth Spann Craig, Author of the Myrtle Clover Mysteries ""Structuring Your Novel" will give you the blueprint for making your story more powerful. I'm taking this one with me to my desert island "-Jennifer Ibarra "After finishing the book, I reviewed my own writing and was easily able to see where the story wasn't working, understand why it wasn't, and figure out what I needed to do to fix it."-Abby Geiger More storytelling assistance from K.M. Weiland: Outlining Your Novel: Map Your Way to Success-Can outlining help you write a better story?

Before beginning any journey, you need a plan. Writing a novel is no different.Through a simple ten day challenge, The Ten Day Outline guides you in creating an outline built to support every step of your writing journey. Along the way, it'll help you form the foundation you need to write a novel you're proud of.You'll learn to:¿Strengthen the ideas you have and discover new ones, even when inspiration seems far away.¿Expand your original idea into a fully fledged story.¿Develop a fleshed-out cast of characters, without overwhelming yourself with complex formulas and "best-practices."¿Apply structure to your story in a way that honors and refines your original idea.¿Bring it all together in a final Master Outline, designed to guide you through every stage of writing your novel.Each day of this outlining challenge comes with easy to follow prompts and intuitive goals, streamlining the outlining process. By the end, The Ten Day Outline will have taken the stress out of planning a novel, so you'll be ready to set out on your own epic, writing journey!

Uncover the secret power of outlining! Outline Your Novel can help any writer take their story from concept to a finished draft! Instead of getting lost in the middle or never finishing, let Outline Your Novel show you how structure works and how to use that structure to make and follow an outline. In this book, you'll learn: Character Arcs Three Act Structure Novel Story Beats Sequence Outlines Scene Outlines Adapting Outlines World Building Incorporating Themes Weaving Subplots Outline Your Novel offers a guided approach to outlining and as always, author Scott King, plays along, making sure to do the assignments in the book so you can learn from his successes and mistakes. Stop letting your novel kick your butt and beat it with the help of Outline Your Novel!

Discover the Proven Blueprint for Creating Stories That Sell! Award-winning author K.M. Weiland's previous book, the award-winning Structuring Your Novel, showed writers how to create stories with strong and compelling plot structure. Now it's time to put those lessons to use! Building upon the principles you've already learned, the Structuring Your Novel Workbook presents a guided approach to writing solid first drafts, identifying and fixing plot problems, and writing consistently good stories. Containing hundreds of incisive questions and imagination-revving exercises, this valuable resource will show you how to: Implement a strong three-act structure Time your acts and your plot points Unleash your unique and personal vision for your story Identify common structural weaknesses and flip them around into stunning strengths Eliminate saggy middles by discovering your story's "centerpiece" And so much more! This accessible and streamlined workbook will empower you to create a powerful structure-and an outstanding novel. Start writing your best book today!

A Magical Key to Unlock Your Creative Wizard Are you writing a novel, but having trouble getting your first draft written? You've heard of "outlining," but that sounds too rigid for you. You've heard of "organic writing," but that seems a bit squishy to you. Take a look at the wildly popular Snowflake Method—ten battle-tested steps that jump-start your creativity and help you quickly map out your story. All around the world, novelists are using the Snowflake Method right now to ignite their imaginations and get their first drafts down. In this book, you'll follow the story of a fictitious novelist as she learns to tap into the amazing power of the Snowflake Method. Almost magically, she finds her story growing from a simple idea into a deep and powerful novel. And she finds her novel changing her—into a stronger, more courageous person. Zany, Over the Top, and Just Plain Fun How to Write a Novel Using the Snowflake Method is a "business parable"—a how-to guide written in story form. It's zany. It's over the top. It's just plain fun. It shows you how it's done, rather than tells you. You'll learn by example how to grow your story idea into a sizzling first draft. You'll discover: How to define your "target audience" the right way, so you know exactly how your ideal readers think and feel. Forget what the experts tell you about "demographics." How to create a dynamite selling tool that will instantly tell people whether they'll love your story or hate it. And you want them to love it or hate it. How to get inside the skin of each of your characters—even your villain. Especially your villain. How to find a deep, emotively powerful theme for your story. Do you know the best point in your novel to unveil your theme? How to know when to backtrack, and why backtracking is essential to writing great fiction. How to fire-test each scene to ensure it's high-impact—before you write it. ExcerptGoldilocks had always wanted to write a novel. She learned to read before she went to kindergarten. In grade school, she always had her nose in a book. In junior high, the other kids thought she was weird, because she actually liked reading those dusty old novels in literature class. All through high school, Goldilocks dreamed of writing a book of her own someday. But when she went to college, her parents persuaded her to study something practical. Goldilocks hated practical, and secretly she kept reading novels. But she was a very obedient girl, so she did what her parents told her. She got a very practical degree in marketing. After college, she got a job that bored her to tears—but at least it was practical. Then she got married, and within a few years, she had two children, a girl and then a boy. She quit her job to devote full time to them. As the children grew, Goldilocks took great joy in introducing them to the stories she had loved as a child. When her son went off to kindergarten, Goldilocks thought about looking for a job. But her resume now had a seven-year hole in it, and her practical skills were long out of date. The only jobs Goldilocks could qualify for were minimum wage. She suddenly realized that being practical had made her horribly unhappy. On a whim, Goldilocks decided to do the one thing she had always wanted more than anything else—she was finally going to write a novel. She didn't care if it was impractical. She didn't care if nobody would ever read her novel. She was going to do it just because she wanted to. For the first time in years, she was going to do something just for herself. And nobody was going to stop her.

WHAT IS THE STORY GRID? The Story Grid is a tool developed by editor Shawn Coyne to analyze stories and provide helpful editorial comments. It's like a CT Scan that takes a photo of the global story and tells the editor or writer what is working, what is not, and what must be done to make what works better and fix what's not. The Story Grid breaks down the component parts of stories to identify the problems. And finding the problems in a story is almost as difficult as the writing of the story itself (maybe even more difficult). The Story Grid is a tool with many applications: 1. It will tell a writer if a Story ?works? or ?doesn't work. 2. It pinpoints story problems but does not emotionally abuse the writer, revealing exactly where a Story (not the person creating the Story'the Story) has failed. 3. It will tell the writer the specific work necessary to fix that Story's problems. 4. It is a tool to re-envision and resuscitate a seemingly irredeemable pile of paper stuck in an attic drawer. 5. It is a tool that can inspire an original creation.

When it comes to writing books, are you a "plotter" or a "pantser?" Is one method really better than the other? In this instructional ebook, author Libbie Hawker explains the benefits and technique of planning a story before you begin to write. She'll show you how to develop a foolproof character arc and plot, how to pace any book for a can't-put-down reading experience, and how to ensure that your stories are complete and satisfying without wasting time or words. Hawker's outlining technique works no matter what genre you write, and no matter the age of your audience. If you want to improve your writing speed, increase your backlist, and ensure a quality book before you even write the first word, this is the how-to book for you. Take off your pants! It's time to start outlining.

This book is for you! If you want a comprehensive and detailed guide on how to write a fiction novel. Chapter by chapter. Scene by scene. For every 25 chapters, I have added cheat sheets and exercises to create a meaningful story, one step at a time. I have also added in-depth articles with explanations based on my research and also based on reading hundreds of books, feedback from great mentors, and years studying the craft.
