Oxford Picture Dictionary Vocabulary Teaching Handbook ...

The pictures in our learner's dictionaries are a good source of vocabulary because they show lots of related items. The big pictures contain lots of different labels so that you can study other words along with the word you are looking up. For example, the word "butterfly" in English is both the name of an insect and the name of a swimming stroke, and at the entry for butterfly you can see pictures showing a selection of different insects, as well as a picture showing a number of different ...

A new edition of the popular picture dictionary, available in 13 bilingual editions that meet the language needs of young adult and adult students around the world.

The OPD Second Canadian Edition English/Chinese is an illustrated, theme-based dictionary for second-language learners. This four-colour dictionary defines words through pictures, and presents each new word in context. The OPD English/Chinese, along with the monolingual workbooks and many other components, can be used as a reference book or as text for high school or adult ESL students at the beginner level. For years, the first monolingual Canadian edition of the OPD has been the industry leader among picture dictionaries. The second edition expands on the topics covered, providing more depth of vocabulary in the areas that matter most to students and offers Chinese speakers the additional advantage of having words and phrases defined in their native language. The illustrations have been completely updated in a more realistic style that is visually appealing to adult learners. The second edition also contains two new features: Introductory Pages and Story Pages. The Introductory Pages have been added to the beginning of each theme to give lower-level

students a basic overview of key vocabulary words, and to give a starting point for discussion and an introduction to the theme for more advanced students. The Story Pages consist of a two-page spread at the end of each theme to help students use the words in context and practise their reading skills. The OPD English/Chinese is designed for use both in and out of the classroom. Speaking exercises are presented throughout the OPD to allow students to practise new vocabulary in pairs or small groups, while the pronunciation guide in the index allows students to check their pronunciation when they are studying on their own.

The third edition of the best-selling Oxford Picture Dictionary provides unparalleled support for vocabulary teaching to meet the needs of today's English language learners. -4,000 English words and phrases with meaningful, real-life contexts presented within 12 thematic units, including Everyday Language, People, Housing, Food, and Recreation -New and updated topics such as job search, career planning, and digital literacy equip students with the language they need for everyday success. -Revised practice activities prepare students for work, academic study, and citizenship from the very beginning. -Pre-reading questions build students' previewing and predicting skills -High-interest reading promote literacy skills -Post-reading questions support critical thinking and textual analysis. -Workbooks at three levels provide multilevel classroom support.

A new edition of this popular topic-based dictionary which focuses on everyday, key vocabulary.

Full-color Dictionary pages and thorough teaching notes for each topic provide a comprehensive instructional resource.

Over 1,600 words presented with clear, vibrant illustrations meet the needs of today's language learners.

Vibrant, realistic illustrations and unparalleled teaching support make the Oxford Picture Dictionary Program what every classroom needs to build students' vocabulary, reading, and critical thinking skills.

The Oxford Picture English/Spanish Dictionary provides a fully integrated vocabulary development program, progressing from essential words to the more complex, delivered in short, thematic units. This edition still features the rich and vibrant illustrations that the Oxford Picture Dictionary is known and loved for. These illustrations present vocabulary in meaningful, real-life contexts to ensure success outside of class. So, what's new in the Third Edition? 11 new and expanded topics. What words do students need to navigate a doctor's appointment? Or on their first day at a new job? New and expanded topics - Illnesses and Medical Conditions, Health Insurance, Cyber Safety, Job Search, Career Planning, Soft Skills, First Day on the Job, Inside a Company, Information Technology, Digital Literacy, Internet Research - focus on the important life skills students need today. Updated activities and an increased focus on 21st century skills help students prepare for work, academic study, and citizenship. A focus on Oxford 3000 vocabulary ensures students learn the most useful and important words.

Accelerate your student's academic language development with the second edition of the Oxford Picture Dictionary for the Content Areas program. This program: Uses direct, explicit vocabulary instruction, which improves learning outcomes for ELLs and struggling learners. Helps English learners and struggling learners acquire new content area vocabulary and build word knowledge from incremental, repeated and varied exposures to words. Has an instructional routine that uses the research-based Gradual Release of Responsibility, Productive Partnering and other models as an effective way of increasing language acquisition. Is standards based and aligned to the Common Core State Standards and other leading research on what works most effectively. Uses scaffolded and differentiated instruction to improve vocabulary acquisition for English language learners.

The Intermediate Workbook offers vocabulary reinforcement activities that correspond page for page to the Dictionary. Clear, simple instructions with examples make this Workbook ideal for independent use in the classroom or at home, and for multi-level classes. It also provides opportunities for contextualized vocabulary practice and critical thinking skills development through motivating contexts and engaging activities.
