what they need, when they need it, and how they need it, so that your class time is more engaging and effective.

Focus on Personal Finance is a brief, 14-chapter book, covering the critical topics in Personal Finance courses. This 4-color, paperback text is designed and written to appeal to a range of ages, life situations, and levels of financial literacy. A unique aspect of this text is its active approach. This text will not only get your students thinking about their current situation and financial goals, but also encourage them to put these in writing to use as a guide and revise over the course of their lives. New for this edition, sections are oriented around specific action-items for students. The more a student involves themselves in the assessments, exercises and worksheets provided, the more they will discover about their current habits and how to improve them for greater financial freedom. Students have many different financial goals, but none are more important than having a basic understanding of financial issues and peace of mind with regard to their decisions. The ultimate goal of Focus on Personal Finance is to get students to this point as a first step to achieving the many financial goals they have set for themselves.

The journey to financial freedom starts here! Kapoor/Dlabay/Hughes/Hart's market-leading Personal Finance provides practical guidance on how students can achieve peace of mind with regard to their financial situation. It provides many financial planning tools to help students identify and evaluate choices as well as understand the consequences of decisions in terms of opportunity costs. And now, McGraw-Hill Connect empowers students by continually adapting to deliver precisely what they need, when they need it, and how they need it, so your class time is more engaging and effective.

Your journey to financial freedom starts here! Kapoor/Dlabay/Hughes' market-leading Personal Finance provides practical guidance on how students can achieve peace of mind with regard to their financial situation. It provides many financial planning tools using a step-by-step approach to help students identify and evaluate choices as well as understand the consequences of decisions in terms of opportunity costs.
