Casualty Care (C-TCCC).
Since 1996, TCCC has
improved the care rendered
in combat prehospital

battlefield prehospital
component of the Joint

Online Library Phtls Military 7th Edition

organization within the United States Department of Defense that projects combat trauma care out to the point of injury and continues that care seamlessly while bringing the casualty home for recuperation and

Online Library Phtls Military 7th Edition

rehabilitation. TCCC guidelines are continuously revised and updated by C-TCCC, an all-volunteer group of military medicine and trauma care specialists. The membership of C-TCCC includes combat medics,
