Rookie Move was no exception, I loved this book from the first word. I'm a big fan of sports romance and this would have to be one of my favs that I have read so far. I am so happy that we are getting more from the Bruisers (may have even preordered the next book when I got to the end of this one).

The first novel in a sexy series featuring the hockey players of the Brooklyn Bruisers and the women who win their hearts—from the USA Today bestselling author of the Ivy Years series. In high school they were the perfect couple—until the day Georgia left Leo in the cold... Hockey player Leo Trevi has spent the last six years trying to do two things: get over the girl who broke his heart, and succeed in the NHL. But on the first day he ' s called up to the newly franchised Brooklyn Bruisers, Leo gets checked on both sides, first by the team ' s coach—who has a long simmering grudge, and then by the Bruisers ' sexy, icy publicist—his former girlfriend Georgia Worthington. Saying goodbye to Leo was one of the hardest things Georgia ever had to do—and saying hello again isn ' t much easier. Georgia is determined to keep their relationship strictly professional, but when a press conference microphone catches Leo declaring his feelings for her, things get really personal, really fast....

On the first day he is called up to the newly franchised Brooklyn Bruisers, professional hockey player Leo Trevi gets checked on both sides, first by the team's coach, who holds a long-standing grudge, and then by the team's publicist, his former girlfriend, Georgia Worthington, whom he still loves.

Everyone knows the girl is off limits. But it's so good to be bad. There ' s this girl... Heidi and I have been trading hungry looks all year, and everything she does makes me smile. But I don't do girlfriends, and I certainly can't get involved with the league commissioner's daughter. I need shots on goal, not a hookup and a widely misunderstood paparazzi photo. Can I resist her, though? The way she teases me should be a game penalty for interference with my libido. There ' s this guy... Jason wants me, but he won ' t admit it. That man looks at me the way a hockey player eyes the lunch buffet after practice—and I love it. But when victory is finally within my grasp, I blow it and humiliate myself. Even then I can ' t even avoid him—as the team intern, I ' m in constant view of his hard body and cocky smile. I need another chance. The women's league is in the house! And Brooklyn will never be the same again for Anton Bayer and the team... This is my last chance to ditch my playboy reputation and finally fulfill my potential. So I've made three rules for our biggest season yet: no boozing, no women, and no scandals. Especially that last thing. So who do I befriend on the very first day back at the rink? An amazing female hockey player. I want Sylvie in a way that's more than just friendly. I crave her. But I have a championship to win, and so does she. Then she gets her heart broken by my teammate, and I make the foolish mistake of comforting her in the best way I know how. Our night together sets off a string of sins. Nobody can know about our affair, especially my overprotective teammate. I can't let anyone see into my greedy little heart. Not even her. The things I want from her, and the things we've already done? If anyone knew, there'd be bombshells. Contains: a defenseman with dreamy blue eyes, a female goalie with bad ideas, a major battle of the sexes and a swimming pool scene... \*\*\*\*\* For fans of hockey romance, and readers of Kendall Ryan, Elle Kennedy, Jaci Burton, Lex Martin, and many others.

A new standalone novel in the Brooklyn Bruisers world! Sometimes lady luck shakes your hand, and sometimes she smacks your face. Sometimes she does both on the same day. Can you fall for someone you've never met? Hailey Taylor Emery has a hunch that her favorite client at Fetch--an anonymous virtual assistant service--is actually hockey star Matt Eriksson. Although it's against the rules for her to check his file, she's 95% sure she spends at least part of each day texting with her lifelong crush and catering to his every need. Still nursing a wounded heart thanks to her recent breakup, Hailey is perfectly content with some harmless online flirting...until she has to meet her client. Face to face. Cue: utter panic. Matt Eriksson is no stranger to heartbreak. He's still not over the destruction of his marriage, and it sucks to be the only guy on the team who knows the truth--that hockey and long-term relationships are a toxic mix. He barely sees his kids, and dealing with his ex makes him feel insane. The only person in his life who seems to understand is someone who won't show her pretty face. But it's nothing that a pair of fourth row hockey seats can't fix. Hailey can't resist the offer. Matt can't resist Hailey. Good thing he doesn't have to. Fire up the kiss cam! Warning: Contains rabid hockey fans, misunderstood dick pics, hockey players at the opera and exploding ovaries.
