This chapter provides an illustration of the Buddha by narrating his deeds, works, personality, interests, and dislikes. For those who have witnesses and who were given the opportunity to encounter Siddharth Gautama, the Buddha was a charming person endowed with the grace and serenity that bewilders people. For these people, Gautama was perfect and deserving to be called Lord.

~~[Man who was Siddharth Gautama - Oxford Scholarship](#)~~

Siddhartha, novel by Hermann Hesse based on the early life of Buddha, published in German in 1922. It was inspired by the author’s visit to India before World War I. Hermann Hesse, 1957.

A book—rare in our arid age—that takes root in the heart and grows there for a lifetime. Here the spirituality of the East and the West have met in a novel that enfigures deep human wisdom with a rich and colorful imagination. Written in a prose of almost biblical simplicity and beauty, it is the story of a soul's long quest in search of he ultimate answer to the enigma of man's role on this earth. As a youth, the young Indian Siddhartha meets the Buddha but cannot be content with a disciple's role: he must work out his own destiny and solve his own doubt—a tortuous road that carries him through the sensuality of a love affair with the beautiful courtesan Kamala, the temptation of success and riches, the heartache of struggle with his own son, to final renunciation and self-knowledge. The name "Siddhartha" is one often given to the Buddha himself—perhaps a clue to Hesse's aims in contrasting the traditional legendary figure with his own conception, as a European (Hesse was Swiss), of a spiritual explorer.

Siddhartha Gautama was born to an Indian king and later changed Indian culture through his beliefs. This inspiring biography allows readers to explore the incredible life of Siddartha Gautama and learn how he later became known as The Buddha. Buddhism, the Four Noble Truths, and the Eightfold Path are discussed through captivating facts and sidebars, interesting images and photos, and supportive text. An accommodating index and glossary aid in the better understanding of the content and vocabulary. Through the easy-to-read text, readers will also learn about the Indian caste system, Buddhist monks, and how people believe the state of nirvana can be reached.

Now I understand why Buddha s message is still so important today. Rani, 11"

The sudden death of the Persian Emperor in 522 BCE is one of history’s great mysteries. Was his demise self-inflicted, accidental, an assassination or due to natural causes? The author contends that during this incident Siddhartha Gautama may have been the leader of Babylon's Magi, an interfaith order that assumes governance of the region. The situation explodes when Darius the Great seizes the throne. Simultaneously the Magi Order is purged as Siddhartha, prince of the Saka nation, heads back east to the Indus. Could this event have inspired the creation of Buddhism as a pacifist movement dedicated to the pursuit of self-transformation, goodwill, and universal compassion? The Buddha from Babylon: The Lost History and Cosmic Vision of Siddhartha Gautama uncovers new evidence that solves this ages-old mystery and discovers Babylonian influences in the Buddha's revelations.

Colorful Siddhartha Gautama Buddha Meditating with intricate background designs. Perfect composition book for those that follow Buddhism and the path of Buddha. Inside you'll find 200 pages (100 sheets) of college ruled lined paper. Perfect for note taking, sketchbook journal, or for any number of uses.
