In *Sisters of the Yam*, bell hooks reflects on the ways in which the emotional health of black women has been and continues to be impacted by sexism and racism. Desiring to create a context where black females could both work on their individual efforts for self-actualization while remaining connected to a larger world of collective struggle, hooks articulates the link between self-recovery and political resistance. Both an expression of the joy of self-healing and the need to be ever vigilant in the struggle for equality, *Sisters of the Yam* continues to speak to the

In this marvelous anthology of 24 stories about women in the Bible, Rabbi Jill Hammer draws from the ancient tradition of Midrash -- creative interpretation that elaborates upon the sparse details of the biblical text -- and brings to life the inner world and experiences of these unforgettable characters. The stories reintroduce Lilith, Sarah, Leah, Miriam, and many other notable women of the Bible as the author weaves together the rabbinic legends and her own vivid imagination. Hammer's commentary includes a list of biblical texts and an explanation of how each story came to be written and why. Praised for its originality

and expressiveness, this book gives biblical women the honor they deserve -- an honor due them as prophets, rulers, and teachers. Book jacket.

More than 11 million women run regularly, a number that's growing every year. They tend to be educated and affluent-the perfect audience for Sole Sisters. Half of all runners are women, and they are changing the face of the sport. It's a social outlet, a healthful way to improve mental well-being, and an opportunity to form bonds with like-minded women. Sole Sisters: Stories of Women and Running is a gripping collection of stories that captures the inspirational heart of the women's running. Authors Jennifer Lin and Susan Warner

have interviewed women of all ages from all walks of life and all parts of the country. All of their subjects have one thing in common: Running has transformed them. There are both heartrending stories of grief and survival and lighthearted tales of friendship. Among them are: * Sisters who competed in a 5K race to honor a sister who survived breast cancer. * A 9/11 widow who ran her first marathon to honor the memory of her husband. * A 65-year-old woman who overcame obesity and alcoholism to finish the grueling Ironman triathlon. * An unknown runner from Norway named Grete Waitz who decided to run a marathon-and changed the face of the sport. Sole Sisters: Stories of Women and Running is not just for

fascinating region on the other side of the world--this suspenseful and haunting story announces the debut of a profoundly gifted writer. One August afternoon, on the shoreline of the Kamchatka peninsula at the northeastern edge of Russia, two girls--sisters, eight and eleven--go missing. In the ensuing weeks, then months, the police investigation turns up nothing. Echoes of the disappearance reverberate across a tightly woven community, with the fear and loss felt most deeply among its women. Taking us through a year in Kamchatka, *Disappearing Earth* enters with astonishing emotional acuity the worlds of a cast of richly drawn characters, all connected by the crime: a witness, a neighbor, a

Read Online Sisters Of The Earth Womens Prose And

Detective, a mother. We are transported to vistas of rugged beauty--densely wooded forests, open expanses of tundra, soaring volcanoes, and the glassy seas that border Japan and Alaska--and into a region as complex as it is alluring, where social and ethnic tensions have long simmered, and where outsiders are often the first to be accused. In a story as propulsive as it is emotionally engaging, and through a young writer's virtuosic feat of empathy and imagination, this powerful novel brings us to a new understanding of the intricate bonds of family and community, in a Russia unlike any we have seen before.

One hundred great folk tales and

Read Online Sisters Of The Earth Womens Prose And

fairy tales from all over the world about strong, smart, brave heroines. Dismayed by the predominance of male protagonists in her daughters' books, Kathleen Ragan set out to collect the stories of our forgotten heroines.

Gathered from around the world, from regions as diverse as sub-Saharan Africa and Western Europe, from North and South American Indian cultures and New World settlers, from Asia and the Middle East, these 100 folktales celebrate strong female heroines. Fearless Girls, Wise Women, and Beloved Sisters is for all women who are searching to define who they are, to redefine the world and shape their collective sensibility. It is for men who want to know more about what it means to be a

woman. It is for our daughters and our sons, so that they can learn to value all kinds of courage, courage in battle and the courage of love. It is for all of us to help build a more just vision of woman.

The sisters of the Order of Saint Rita captain their living ship into the reaches of space in Lina Rather's debut novella, *Sisters of the Vast Black*. Years ago, Old Earth sent forth sisters and brothers into the vast dark of the prodigal colonies armed only with crucifixes and iron faith. Now, the sisters of the Order of Saint Rita are on an interstellar mission of mercy aboard *Our Lady of Impossible Constellations*, a living, breathing ship which seems determined to develop a will of its

Read Online Sisters Of The Earth Womens Prose And

own. When the order receives a distress call from a newly-formed colony, the sisters discover that the bodies and souls in their care—and that of the galactic diaspora—are in danger. And not from void beyond, but from the nascent Central Governance and the Church itself. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Thank You, Sisters tells the true stories of Sisters and the people they have influenced, showing the effect women religious have had not only on the U.S. Catholic Church, but on the nation as a whole, in areas such as health care, education, social justice, and

Pastoral ministry. Profiles include Helen Prejean, Joan Chittister, Dorothy Stang, and Thea Bowman.

"Ripley Todd just wants to live a quiet, peaceful kind of life. Her job as a sheriff's deputy keeps her busy and happy, and she has no trouble finding men when she wants them--which, lately, isn't all that often. She's perfectly content, except for one thing: she has special powers that both frighten and confuse her--and though she tries hard to hide them, she can't get them under control. Distraction soon arrives in the handsome form of MacAllister Boone--a researcher who's come to investigate the rumors of witchcraft that haunt Three Sisters Island. Right from the start, he

Read Online Sisters Of The Earth Womens Prose And

knows there's something extraordinary about Ripley Todd. It's not just her blazing green eyes and her sultry smile. There's something else. Something he can detect, but she'll never admit. Fascinated by her struggle with her amazing abilities, he becomes determined to help her accept who she is--and find the courage to open her heart. But before Ripley and Mac can dream of what lies in the future, they must confront the pain of the past. For Three Sisters shelters centuries of secrets--and a legacy of danger that plagues them still.. "--
