Don't Shoot Yourself in the Foot Before You Even Open Your Mouth! The Writing Guide for Professional Speakers. Do you want to become a professional public speaker, someone who gets paid to speak in public about topics you are passionate about? If so, I've got good news and bad news. The bad news is that it's a crowded ole world out there-every Tom, Dick, and Harriet seem to be a "professional" speaker, armed with a book, a blog, and a boatload of subject-matter expertise. The good news is that only a few of these "professionals" can spell or even construct a correct sentence in American English. Look around! If you want to stand out, if you want to impress potential hosts, if you want to get hired again and again, then you have to recognize that your written words will probably be read before your spoken words are heard. In other words, your written words have to be flawless. In Before You Even Open Your Mouth, nine-time, award-winning author and public speaker Liz Coursen shares her expertise about how to write to impress. Liz speaks professionally 80-100 times each year, and part of her success, she believes, is the attention to detail she brings to every aspect of her speaking, including her promotional materials. "Punctuation and grammar is easy, and it's fun," she says. "And, since our writing is part of how people judge us, it's important for every professional speaker to know how to write well."

Yes, opening an Airbnb is easy and you have the potential to make great money! It is a lot of work with sometimes some unexpected issues. This quick read will tell you the truth of the process you can expect when dealing with strangers from all parts of the world. Everyone tells you about the income potential - no one tells you the bad parts. In this book you will find truthful information to help you decide whether or not you want to take on the task of becoming an Airbnb host.

If you apply the principles taught, you can become an entrepreneur and start a small business faster than what you ever imagined possible. Will this be one of those books that will change your life and start you on your entrepreneurial journey? There's only one way to find out ...Starting a business has never been made this easy!

When we reviewed our first book and guide to opening a restaurant we realized that while we did educate we didn't do enough guiding for someone who was never in the food industry. Sorry! To do a better job we expanded our guide to include our Spread Sheet management tools as well as both our recipe books and menus. Additionally we added sections on Advertising and Marketing as well as how to negotiate a lease. With the menus and recipes you can coast out your plating by using ours as an example. Our email is included so you can email us if you have any questions. Also, be sure to use our menu ideas and recipes as they have already proven themselves.

More than 900,000 teenage girls face pregnancies each year. Almost all of these pregnancies are unplanned, leaving teen moms and dads unprepared for the emotional, physical, and psychological journey ahead of them. What most parents find as a memorable and positive change in their lives, teens and their families often see as catastrophic and devastating. In Pregnancy and Parenting: The Ultimate Teen Guide, Jessica Akin guides teens through the unique issues and struggles of a life-changing event that can be overwhelming even for a fully mature adult. Once a teen decides what course to take-between parenting, adoption, or abortion-she must deal with the consequences of her decision, often alone, but sometimes with the father-to-be and other family members. Topics covered in this book include breaking the news choosing the next step dealing with judgments and criticism coping with loss co-parenting finishing school life beyond the baby This book is filled with stories from teen mothers and fathers who faced their unplanned pregnancy head on. Written without bias or judgement, Pregnancy and Parenting: The Ultimate Teen Guide emphasizes and encourages teens to empower themselves with knowledge and make the best choices and decisions for their individual futures.

Emerging conceptualizations of major emotional disorders emphasize their commonalities rather than their differences, including considerable overlap in disorder phenomenology, a common set of vulnerabilities to development of emotional disorders, and generalization of treatment response across disorders. Current research lends support for a unified transdiagnostic approach to treatment of these disorders that considers these commonalities and is applicable to a range of emotional disorders. Unified Protocol for Transdiagnostic Treatment of Emotional Disorders, part of the TreatmentsThatWork series of therapist manuals and patient workbooks, is a radical departure from disorder-specific treatments of various emotional disorders, and is designed to be applicable to all anxiety and unipolar mood disorders, as well as other disorders with strong emotional components, such as many somatoform and dissociative disorders. The Unified Protocol (UP) capitalizes on the contributions made by cognitive-behavioral theorists by distilling and incorporating the common principles of CBT present in all evidenced based protocols for specific emotional disorders, as well as drawing on the field of emotion science for insights into emotion regulation. The UP contains seven modules and focuses on four core strategies: becoming mindfully aware of emotional experiences; reappraising rigid emotion laden attributions; identifying and preventing behavioral and emotional avoidance; and facilitating exposure to both interoceptive and situational cues associated with emotional experiences. Unified Protocol for Transdiagnostic Treatment of Emotional Disorders will be an essential resource for all therapists and psychiatrists who implement CBT strategies, as well as any clinician treating anxiety and depressive disorders.
