THIS ISN'T A PHRASEBOOK, THIS IS A SYSTEM DESIGNED TO TEACH THE READER HOW TO COMBINE WORDS IN ORDER TO CREATE THEIR OWN SENTENCES! Have you always wanted to learn how to speak Spanish but simply didn't have the time? Well if so, then, look no further. You can hold in your hands one of the most advanced and revolutionary method that was ever designed for quickly becoming conversational in a language. In creating this time-saving program, master linguist Yatir Nitzany spent years examining the twenty-seven most common languages in the world and distilling from them the three hundred and fifty words that are most likely to be used in real conversations. These three hundred and fifty words were chosen in such a way that they were structurally interrelated and, when combined, form sentences. Through various other discoveries about how real conversations work--discoveries that are detailed further in this book--Nitzany created the necessary tools for linking these words together in a specific way so that you may become rapidly and almost effortlessly conversant--now. If you want to learn complicated grammar rules, or to speak perfectly proper and precise Spanish, this book is not for you. However, if you need to actually hold a conversation while on a trip to a Spanish-speaking country, to impress that certain someone, or to be able to speak with your grandfather or grandmother as soon as possible, then the Nitzany Method is what you have been looking for. This method is designed for fluency in a foreign language, while communicating in the present tense. Nitzany believes that what's most important is actually being able to

understand and be understood by another human being right away. This is one of the several, in a series of instructional language guides, the Nitzany Method's revolutionary approach is the only one in the world that uses its unique language technology to actually enable you to speak and understand native speakers in the shortest amount of time possible. No more depending on volumes of books of fundamental, beginner, intermediate, and advanced levels, all with hundreds of pages in order to learn a language. With Conversational Spanish Quick and Easy, all you need are fifty-three pages. Learn Spanish today, not tomorrow, and get started now!

Do you want to be able to express yourself in Spanish with confidence and fluency? Insider's Spanish offers a local perspective on Spanish culture, opinions and language use so that you can speak confidently on today's most important and relevant topics. This intermediate Spanish conversation course, devised for all intermediate-level learners or those following on from Total or Perfect Spanish, will advance your overall fluency, listening comprehension and conversation skills, expand your vocabulary and improve your grammar. Through authentic, lively conversations around engaging topics, and the unique Michel Thomas Method for learning, this course focuses on the colloquial language and conversation strategies used by native Spanish speakers so that you can fit in and communicate more naturally. Michel Thomas, the preeminent language teacher, always said that learners start by mastering basic linguist structures (as in his Total and Perfect courses), which provide the bare walls of the house, but that that it was up to us, the learner, to decorate it in our own personal way. Insider's Spanish reflects Michel Thomas's 'Phase 2' courses that he and his team offered at his New York language school, allowing increased vocabulary, improved speaking, comprehension and reading and writing skills - the tools with which to decorate their houses. Insider's Spanish includes:

- Twenty authentic conversations

around a comprehensive range of subjects that reflect contemporary Spanish culture · Language plus: conversation strategies, pronunciation and intonation to help learners express themselves naturally · Listening and speaking practice to help learners progress to the next level · Cultural insights into the unspoken rules of the language This ebook includes 10 chapters with integrated audio conversations. Why is the Michel Thomas Method so successful? The Michel Thomas Method draws on the principles of instructional psychology. Knowledge is structured and organised for the student so that you assimilate the language easily and don't forget it. The method deconstructs the language into building blocks that are introduced sequentially in such a way that the learner creates his/her response and moves on to ever-more-complex sentences. Michel said: I will dissect everything into small parts and reassemble it in such a way that one will understand everything step by step. He was also very clear about his ground rules: no memorisation, no drills, no homework; relax and leave off the anxiety normally associated with language learning.

*** New Intermediate Edition! *** Improve your spoken English from home with 101 real-world conversations in intermediate English. Real English people don't speak like your textbook... so it's no wonder you feel unprepared when it's your turn to speak! This book fixes that. For the first time, you'll learn to move beyond beginner level, and speak English in the real world! With 101 authentic conversations in intermediate English, so you'll become confident in the words, phrases and expressions you need to communicate like a local. 101 Conversations in Intermediate English transports you into a real-world story that unfolds between six English characters, told by the people themselves. Over 15,000 words of real English, you'll immerse yourself in a gripping English drama and get an education in natural English in the process. Here's what you'll get: 101 conversations in intermediate English, so you

can learn the real English spoken in the street, understand spoken English with ease, and have English roll off your tongue more fluently Over 15,000 words of dialogue - an unparalleled resource that will immerse you in English, at a level you can understand. You'll learn real spoken English without getting lost or overwhelmed Real, daily spoken English throughout - it's as if we held up a microphone and recorded the exact words coming out of people's mouths - so you can learn the expressions that real people use on the street (not in textbooks). You'll sound more authentic when you speak and make English-speaking friends more easily. Situational dialogues from typical daily circumstances, so you can prepare yourself to survive realistic English encounters, in shops, cafés, and on the street, making meeting people second nature Conversations that are carefully written to be accessible for intermediate learners (B1-B2 on the CEFR), so you can learn from real, spoken conversations, without having to go through the rollercoaster of difficult conversations with strangers Each conversation is limited to around 15 lines of dialogue (150 words), so you can get that crucial sense of achievement and motivation when you finish each conversation, and say "I actually understood all of that!" Summaries of each conversation which contextualise each dialogue, so you can easily follow the plot and enjoy the story without getting lost The story is set in England and includes expressions that are typical in British English. However, since the conversations use mostly "neutral" English, you'll have plenty to learn, whether you're learning the English of America, England, or Australia. Created by Olly Richards, internationally-renowned language teacher and author, 101 Conversations in Intermediate English gives you an experience in real English that you won't find anywhere else. You'll be better prepared for using English in the real world, speak with more confidence, and take a giant leap towards fluency in English!

sentences. Through various other discoveries about how real conversations work, that are detailed further in this book, Nitzany created the necessary tools for linking these words together in a specific way so that you may to become fluent NOW. If your desire is to learn complicated grammatical rules, or to speak Shakespearean Spanish, this book is NOT for you. However, if you need to actually hold a conversation whilst on a trip to a Spanish speaking country, to impress that certain someone, or to be able to speak with your grandfather or grandmother as soon as possible, then the Nitzany Method is what you have been looking for. This method is designed for fluency in a foreign language, while communicating in the present tense. Nitzany believes that what's most important is actually being able to understand and be understood by another human being right away. More formalized training in grammar rules, etc. can all come later. The first in a series of instructional language guides, the Nitzany Method's revolutionary approach is the only one in the world that uses it's unique language technology to actually enable you to speak and understand native speakers in the shortest amount of time possible. No more depending on volumes of books of fundamental, beginner, intermediate, and advanced levels, all with hundreds of pages in order to learn a language. With "Conversational Spanish Quick and Easy" all you need are 53 pages. Learn Spanish today, not tomorrow, and get started NOW! Note and DISCLAIMER from the Author: I wish to stress this program is by NO means, shape, NOR form a phrase book!! The sole purpose of this book is to give you a fundamental platform to enable you to connect certain words to become conversational. Please also read the "Introduction" and the "About Me" section prior to commencing the program. In order to succeed with my method, please start on the very first page of the program (page #16) and fully master one page at a time prior to proceeding to the next, otherwise you will overwhelm yourself and fail. Please do NOT skip pages, nor start from the middle of the book. It is a myth that certain people are born with the gifted talent to learn a language and this book disproves that

myth. With this method anyone can learn a foreign language as long as you follow these EXPLICIT directions: Memorize the vocabulary on each page, follow it by using a notecard to cover the words you have just memorized and test yourself. Then read the sentences below which are created from the vocabulary bank which you just mastered. Once fully memorized, then give yourself the green light to proceed to the next page. Again, if you proceed to the following page without mastering the previous, you are guaranteed to gain nothing from this book. If you follow the prescribed steps you will realize just how effective and simplistic this method is.

Provides lesson dialogues, English translations, explanations of Spanish grammar, and a pronunciation guide with a two-way dictionary.
