First published in 1992 and last revised in 1995, this is a fitting record of a show that changed the rules by which television was made. The first adventure drama series ever to run to seven seasons and more than 170 episodes, Star Trek: The Next Generation broke audience records wherever it was shown and remains the most widely viewed and consistently popular of all the Star Trek series. This new edition of the series companion has been brought bang up to date to include not only all seven years of the TV series but also all four films which have featured the Next Generation crew. In addition to Generations (1994), we now have full details of First Contact (1997), Insurrection (1998) and the very latest incarnation, Nemesis (2002). A positive feast of information, the Companion includes complete plot summaries and credits for each individual episode and film. There are fascinating behind-the-scenes glimpses into how each one was made, and in-depth analysis really brings The Next Generation universe to life. Illustrated throughout with more than 150 black and white photographs, this is a truly invaluable reference guide.

A complete episode-by-episode exploration of the hit TV series—with rarely seen photos and illustrations. With the launch of Star Trek: The Next Generation, Gene Roddenberry somehow managed to recapture lightning in a bottle. This new incarnation of Star Trek was an instant hit, and its popularity inspired four films and three spin-off television series. A must-have for fans, Star Trek: The Next Generation 365 provides a fresh, accessible overview of the entire series, including an authorized guide to all 178 episodes. Featuring classic and rarely seen photography and illustrations, this visual celebration of the voyages of Captain Picard, his crew, and the Enterprise-D offers a loving look back at the Emmy and Hugo Award–winning series.

The cats are back in their continuing mission: to boldly go where no one has gone before. This companion to the bestselling Star Trek Cats brings the many adventures of Star Trek: The Next Generation to life in a faithfully feline homage to the hit series. From encounters with the Borg to adventures on the holodeck, Captain Picard and the rest of the U.S.S. Enterprise NCC-1701-D crew are reimagined as cats with lovingly detailed and eyebrow-raising scenes from throughout the award-winning series, perfect for Star Trek fans across the Galaxy. On a routine mission to survey Domarus IV -- a class M world with no intelligent life -- a U.S.S. Enterprise™ shuttle crewed by Data, Troi and Wesley Crusher is captured by a race called the Tenirans who claim the world for themselves. As Captain Picard tries to negotiate with the captain of the Teniran ship, the shuttle suddenly disappears in a blaze of color and light. Picard demands to know what's happened to the shuttle and its crew, but the Tenirans deny any part in their disappearance. Suddenly, Captain Picard vanishes from the bridge and finds himself alone on the planet's surface with the Tenarin captain. As the two captains begin to work together, they realize that they are not alone on Domarus IV as they confront an incredible alien force with the power to transform a world -- or to destroy it.

The Borg are back -- and nastier than ever. No longer mindless, inhuman drones but cyborg soldiers on a mission to assimilate all intelligent life, their new goal is the complete destruction of the Federation. And in the midst of facing the Borg again, Captain Picard learns that he may be the cause of the change. Commander Data is changing as well. For the first time in his life, Data feels a genuine emotion -- and that emotion is deadly, destructive rage. When it is revealed that the Borg are commanded by an old enemy out of Data's past, Data must choose between his allegiance tot he Federation and the one thing he wants above all else...

Completely revised and updated, this guidebook takes readers all the way through the last two seasons of the series, including the Paramount Pictures release of the blockbuster film, Star Trek: Generations. The book includes fascinating behind-the-scenes information and specially selected photos (at least one from every episode).

The official parody guide to the unaired eighth season of Star Trek: The Next Generation, based on the popular @TNG_S8 Twitter account from creator Mike McMahan! In the basement of the Star Trek archives, behind shelves of U.S.S. Enterprise NCC-1701-D models, bags of wigs, and bins of plastic phasers, sits a dusty cardboard box. Inside is a pile of VHS tapes that contain never-before-seen episodes and behind-the-scenes footage for something truly amazing. The world thinks there are only seven seasons of Star Trek: The Next Generation, but there's one more. A secret season. Actually, not really. But that didn't stop Mike McMahan, creator of the parody Twitter account @TNG_S8, from making a guide full of: REAL* TNG SEASON 8 FACTS AND STORIES! REAL* TNG SEASON 8 DIALOGUE AND IMAGES! (* Again, not really, of course. This is humor. Sorry.) So impress your friends and bewilder your enemies with your newfound knowledge of these very lost Star Trek episodes! Get caught up with the Mirror Enterprise-D before its crew—helmed by Jean-Luc Picard—faces new threats and challenges in the upcoming Mirror War event! Following the failure of the attempt to steal ships from the Prime Universe, Picard and the Mirror Crew are called back to Earth to report to the Emperor personally... so long as they can survive the trip!

After two hundred years of civil war the planet Oriana is dying. Most of the surface vegetation is gone, the air is nearly unbreathable, and the people themselves are dying. Now, the two warring factions have finally sat down to talk peace, and Captain Picard and the U.S.S. Enterprise™ are sent ot help them negotiate a settlement. Picard, Lt. Worf, and Counsellor Troi beam down to Oriana, just as the Starship Enterprise is called away on another urgent mission. Alone on the planet, the U.S.S. Enterprise team learns that here are people that would rather finish the devastating conflict than talk peace. Suddenly, Picard is accused of murder nad the delicate negotiations have fallen into the hands of Lt. Worf. Now, Worf and Troi must unravel the truth and prevent planet-wide disaster, before time runs out for the people of Oriana and the crew of the Starship Enterprise.

In the future, a heroic captain and his crew explore the Galaxy in a really fast spacecraft. The crew's standing orders are: "...to explore strange new worlds, to seek out new life and new civilizations, to boldly go where no man has gone before."TM Simple, straightforward -- that's Star Trek.® So what's all the fuss?
