"Martin Gero's first script for Stargate SG-1 offers a peek at Vala's dark past, her potentially bright future, and her very colorful present. This episode was actually made up of two different pitches: one about Vala returning to scam a world she once ruled as Qetesh, another involving the healing device and the dilemma it presented. The latter was a notion I'd pitched out but was ...

and draws its substance from the needs of those around it. The creature is an archetype—a hero for all, a villain for all, depending upon whose influence it falls under. And the Goa'uld Apophis, understanding the potential for havoc Mujina offers, has set his heart on possessing the creature.

Explore the early days of Stargate's hottest star! We start our story during the years when Vala was acting as a free agent in the intergalactic underworld. While the ever-growing Lucian Alliance attempts to recruit her, Vala puts together an Oceans Eleven-style team of freelancers (though her team numbers around 5 people) to help her track down a mysterious sentient plant believed to be a source of great power. Daniel Jackson's successful decoding of the ancient Stargate hieroglyphics opened the inter-dimensional doorway to thousands of alien worlds. SG-1 leads the USAF effort to establish alliances with other races and find new technologies to be used against the ever-present threat of the Goa'uld. Posing as the mythological gods, these parasitic creatures subjugate the races of the universe under their self-serving banners, destroying those who would stand against them. Jack has been captured by the Goa'uld and his very memories may be used against the SGC in an all-out alien invasion. The SG-1 team must find a way to infiltrate a planet of enemies mobilizing for war to rescue their fallen leader.

Through the underworld... Millennia ago, at the height of his power, the System Lord Ra decreed that any Goa'uld wishing to serve him must endure a great trial. Victory meant power and prestige, defeat brought banishment and death.

Killing time: Stargate Command is in crisis -- too many teams wounded, too many dead. Tensions are running high and, with the pressure to deliver tangible results never greater, General Hammond is forced to call in the Pentagon strike team to plug the holes.

When a hostile force of aliens invades Earth through the Stargate and kidnaps a female officer, Colonel Jack O'Neill emerges from retirement to hunt down the serpent god Apophis and his unearthly legions
