Generating leads and landing new business are critical to the growth and long-term success of any type of service business. Rainmakers who are able to consistently gain new business by using their selling skills to convert prospects into new customers are difficult to find. Recruiting rainmaking professionals from other organizations is expensive and for many businesses has been largely ineffective. Every executive and manager of a service business understands the importance of the ability to generate leads and landing new customers are the critical components to a successful business. This book is written for managers and leaders who want to transform their professionals from doing work to effectively marketing and selling and bringing in new business. Divided into three comprehensive parts: Charting a new course; The fundamental success models; and Building your business, this book will show you how to: Help professionals overcome fear of selling Acquire the right sales capabilities Market and sell within your comfort zone Setting and achieving big goals Leverage existing customers to acquire new ones Build accountability across the business

Learn the new rules of real estate marketing! Old rule: Your website is all about you. New rule: Your website is all about the customer. Old rule: Online advertising will surpass offline advertising. New rule: Integrated offline and online advertising wins every time. Old rule: Delivering leads is the only job for a website. New rule: The best websites deliver leads and customer service. These are just some of the new rules of online marketing that you'll find in this helpful, hands-on guide. In the REAL ESTATE RAINMAKER Guide to Online Marketing, Dan Gooder Richard offers new solutions and proven ways to use the Internet to drive your real estate business. Whether you're a novice or a veteran real estate pro, you'll find all the cutting-edge online strategies you need to design and implement your own effective, profitable marketing strategy-with practical guidance on building a unique online brand with web domains, websites, and e-mail marketing strategies. Full of real-world examples and straightforward guidelines, the REAL ESTATE RAINMAKER Guide to Online Marketing will help you generate more leads and more business than you ever thought possible!

Every manager of a professional firm realizes that generating leads and landing new clients are critical components of any successful business venture. But transforming accountants, architects, attorneys, consultants, engineers, and other professionals into client-generators is not always easy to do. Divided into two comprehensive parts-The Rainmaker Model and The Elements of Rainmaking-Creating Rainmakers outlines all the steps you should take to turn your professional staff into a powerful team of sales winners. Filled with in-depth insight and practical advice, this book will show you how to: \* Generate leads \* Build a strong network of contacts \* Master a variety of sales techniques \* Develop capable successors to current rainmakers \* And much more Based on more than 100 interviews with the principals of professional firms, including many of today's preeminent rainmakers, this valuable guide has the information you need to help your company succeed.

Explains how to track weather patterns, read weather maps, and identify cloud formations while exploring the effects of pollution, hurricanes, and El Ni\u00f1o.

Universal Studios never really wanted to get into the theme park business. They wanted to be the anti-Disney. But when forced to do so, they did it in a big way. Despite the fits and starts of multiple owners, the parks have finally gained the momentum to mount a serious challenge to the Walt Disney Company. How did this happen? Who made it happen? What does this mean for the theme park industry? In Universal Versus Disney, his newest work to investigate the histories of America's favorite theme parks, seasoned Disney-author Sam Gennawey has thoroughly researched how Universal Studios shook up the multi-billion dollar theme park industry, one so long dominated by Walt Disney and his legacy.

This book is a complete encyclopedia of business development training techniques, indispensable advice for law firm management, partners, and associates looking to successfully bring in clients

Conversations make or break everything in sales. Every conversation you have is an opportunity to find new prospects, win new customers, and increase sales. Rainmaking Conversations provides a proven system for leading masterful conversations that fill the pipeline, secure new deals, and maximize the potential of your account. Rainmaking Conversations offers a research-based, field-tested, and practical selling approach that will help you master the art of the sales conversation. This proven system revolves around the acronym RAIN, which stands for Rapport, Aspirations and Afflictions, Impact, and New Reality. You'll learn how to ask your prospects and clients the right questions, and help them set the agenda for success. Armed with the knowledge of the markets you serve, the common needs of prospects, and how your products and services can help, you can become a trusted advisor to your clients during and after the sale. With the RAIN system, you'll be able to: Build rapport and trust from the first contact Create conversations with prospects, referral sources, and clients using the telephone, email, and mail Uncover the real need behind client challenges Make the case for improved business impact and return on investment (ROI) for your prospects Understand and communicate your value proposition Apply the 16 principles of influence in sales Overcome and prevent all types of objections, including money Craft profitable solutions and close the deal The world-class RAIN SellingSM methodology has helped tens of thousands of people lead powerful sales conversations and achieve breakthrough sales performance. Start bridging the gap between "hello" and profitable relationships today.
