ingredients are here for a cozy Agatha Christie-style whodunnit. But wait - Edward 'Mitch' Mitchell is no Hercule Poirot, and The Back Passage is no Murder of Roger Ackroyd. Mitch is a handsome, insatiable 22-year-old hunk who never lets a clue stand in the way of a steamy encounter, whether it's with the local constabulary, or his schoolmate and fellow athlete Boy Morgan, who becomes his Watson.

The Flying Scotsman, one of the world's legendary train journeys, has many attractions for Edward "Mitch" Mitchell, from the obliging porter to the mean guard to a troop of rough-and-ready soldiers in easily lifted kilts in the third-class carriage. But Mitch may not have time for them all before they arrive in London. When the train gets stuck in a tunnel, a dead body is found in the first-class toilet! Ever-ready Mitch decides to intervene and solve the crime. With his new Belgian sidekick Benoit, he pursues the killer through a crazy kaleidoscope of movie stars, drug dealers, royal scandals, and queens of every description. Mitch intends to go all the way to figure it all out.

Mitch Mitchell needs a vacation, and he is determined to make the most of his trip to the Mediterranean island of Gozo. Death never takes a break however, and at the behest of fellow doctor Bob Southern, Mitch soon finds himself investigating the demise of a young, gay lance corporal. The police have ruled it a suicide, but the young man's boyfriend claims it was murder. Suspecting an official cover-up of a queer scandal, Mitch gets to work on an investigation that leads him into a labyrinth of lies, false identities and secret sex. With tension, humor and plenty of Mitch Mitchell's exuberant sexual encounters, The Sun Goes Down cranks up the Mediterranean heat for one of his most baffling and dangerous cases.

James Lear does Lee Child in his latest sexy and suspenseful mystery. Dan Stagg is an ex-military man who fell foul of Don't Ask Don't Tell. Like Jack Reacher, he's prone to violence, always upholding what he views as justice. With no personal ties and little money, Dan accepts a job protecting a young male 'secretary' of a powerful real estate developer. The young man in question is vain, shallow and very attractive - and it's clear that his idea of 'protection' includes sex. Soon Dan realises that he's being used as a shield for a much more sinister operation...

The secret tunnel: "Edward 'Mitch' Mitchell is back in a steamy send-up of Agatha Christie's Murder on the Orient Express, travelling from Edinburgh to London for a reunion with his ex, "Boy" Morgan. All aboard the Flying Scotsman for a ride that's anything but smooth, as Mitch discovers his fellow travellers include Belgian power bottom Bertrand, sleazy starlet Daisy Athenasy and her hutch publicist, Peter Dickinson. Add to the recipe a group of kilt-wearing soldiers, some very accommodating railway workers and a dead body tumbling out of the toilet, and you have a magical mix of comedy, mystery and non-stop sex."--From publisher's information.

A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, The Things They Carried is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. The Things They Carried depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. The Things They Carried won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

The Redress Movement refers to efforts to obtain the restitution of civil rights, an apology, and/or monetary compensation from the U.S. government during the six decades that followed the World War II mass removal and confinement of Japanese Americans. Early campaigns emphasized the violation of constitutional rights, lost property, and the repeal of anti-Japanese legislation. 1960s activists linked the wartime detention camps to contemporary racist and colonial policies. In the late 1970s three organizations pursued redress in court and in Congress, culminating in the passage of the Civil Liberties Act of 1988, providing a national apology and individual payments of \$20,000 to surviving detainees.

Robert Louis Stevenson's Kidnapped has long been considered a masterpiece of high adventure. In The Low Road, James Lear reinvents this classic as a satirical, queer, coming-of-age story. In 1705 Scotland, young Charles Gordon reaches adulthood ignorant of his family's heroic past in the Jacobite

Rebellion. He sets out to discover the truth about his father, but instead is kidnapped by mercenaries and sold into slavery as the plaything of a group of corrupt military officials. But Charlie's talents, in and out of bed, win him powerful friends as well as dangerous foes. The false priest, Lebecque, violent Captain Robert, depraved General Wilmott – all contribute to Charlie's "education." Eventually leading a makeshift army of sex-crazed layabouts, Charlie faces the might of the English forces. Will he triumph, or is it better to retreat to the safety of his sybaritic lifestyle? James Lear expertly interweaves spies and counterspies, scheming servants and sadistic captains, tavern trysts and prison orgies, into this delightfully erotic work that can take its place alongside his acclaimed novels *The Back Passage* and *Hot Valley*.

Soon Joe is living a double life: breadwinner and father by day, sexual adventurer by night--his hunting ground the online dating sites that give him access to anyone and anything he wants. While *My Wife's Away* is a hot read, but it's also an odyssey of self-discovery, as Joe tests the limits of his new freedom. Can he survive in a world of instant sexual gratification?
