Homeless and jobless, she is the mother of a toddler by a man whose name she didn' t quite catch, and her once pretty face is disfigured by the scar she acquired in a car accident. Friendless and without family, she ' s recently disentangled herself from a selfish and indifferent boyfriend and a cruel and indifferent mother. But she shares a quality common to Barbara Comyns ' s other heroines: a bracingly unsentimental ability to carry on. Before too long, Bella has found not only a job but a vocation; not only a place to live but a home and a makeshift family. As Comyns ' s novel progresses, the story echoes and inverts the Brothers Grimm ' s macabre tale The Juniper Tree. Will Bella ' s hard-won restoration to life and love come at the cost of the happiness of others?
