(sometimes referred to as Yours) is a short poem written by Leo Marks and used as a poem code in the Second World War.. In the war, famous poems were used to encrypt messages. This was, however, found to be insecure because enemy cryptanalysts were able to locate the original from published sources. Marks countered this by using his own written creations.

to enjoy and more to share. "Live a Life of Love" was birthed from my own very real struggles to learn how to love. In my younger years, I felt very alone, empty, unloved and unloving, and unaware of life's meaning. The turning point for me was when I decided to embrace a connection with God, for God is love. Still, how to love remained a mystery to me. I was raised in a cold place, but I wanted to live in a warm place. I was raised with a famine of affection, but wanted to serve a feast of affection, affirmation and kindness to my own family and friends. After meeting

the author of love, my life became a quest to be a lover of God, myself and others - to learn how to effectively and extravagantly love all in my life, even those who sometimes make it hard to love them. One of the more difficult lessons was learning to love myself. But it was a key lesson. In this book we explore what it means to follow the great commandments of love: to love God, love yourself and love others. I am writing from a Christian perspective, but I believe anyone can find principles and guidelines in this book that will help them understand real love and

possibilities are endless. As one of the poems says "We're many things at once" and we're all on the path to becoming our own person. The author uses poetry to shed light on the emotional turmoil of growing up, the need to normalize talk about mental health and the revival of empathy. It's okay to not know, it's okay to take your time, it's okay to feel, it's okay to seek help and it's okay to love.
